A NONSUBSTANTIVE REVISION
OF STATUTES RELATING TO
THE LICENSURE OF INSURERS AND RELATED ENTITIES,
LIFE INSURANCE, AND CERTAIN GROUP BENEFIT PROGRAMS
FOR GOVERNMENTAL EMPLOYEES

Submitted to the 77th Legislature
as part of the
Texas Legislative Council's
Statutory Revision Program

Austin, Texas
2001

Maintenance Organization Act. The revised law omits the provision as executed. The omitted law reads:

Art. 20A.34. This Act shall take effect on the first day of December, 1975.

(2) V.T.I.C. Article 20A.35 is a severability clause. The revised law omits the provision because it duplicates Section 311.032, Government Code (Code Construction Act), applicable to the revised law, and Section 312.013, Government Code. Those sections state that a provision of a statute is severable from each other provision of the statute that can be given effect. The omitted law reads:

Art. 20A.35. If any provision of this Act or the application thereof to any person or circumstance is held invalid for any reason, the invalidity shall not affect the other provisions or any other application of this Act which can be given effect without the invalid provisions or application. To this end, all provisions of the Texas Health Maintenance Organization Act are declared to be severable.

CHAPTER 844. CERTIFICATION OF CERTAIN NONPROFIT HEALTH CORPORATIONS

SUBCHAPTER A. GENERAL PROVISIONS

Revised Law

Sec. 844.001. DEFINITIONS. In this chapter:

(1) "Approved nonprofit health corporation" means a nonprofit health corporation certified under Section 162.001, Occupations Code.

(2) "Certificate holder" means an approved nonprofit health corporation that holds a certificate of authority issued under this chapter.

(3) "Health care plan" has the meaning assigned by Section 843.002.

(4) "Health maintenance organization" means a health maintenance organization licensed under Chapter 843. (V.T.I.C. Art. 21.52F, Secs. 1(2), (3), (4), (5).)

Source Law

Art. 21.52F

Sec. 1. In this article:

(2) "Approved nonprofit health corporation" means a nonprofit health corporation certified under Section 5.01(a), Medical Practice Act (Article 4495b, Vernon's Texas Civil Statutes).

(3) "Certificate holder" means an approved nonprofit health corporation that holds a certificate of authority issued under this article.

(4) "Health care plan" has the meaning assigned by Section 2, Texas Health Maintenance Organization Act (Section 20A.02, Vernon's Texas Insurance Code).

(5) "Health maintenance organization" means a health maintenance organization licensed under the Texas Health Maintenance Organization Act (Chapter 20A, Vernon's Texas Insurance Code).

Revisor's Note

(1) Section 1(1), V.T.I.C. Article 21.52F, defines "applicant." The revised law omits that definition because its meaning is clear from the context in which the term appears in the revision. The omitted law

reads:

(1) "Applicant" means an approved nonprofit health corporation that has filed an application with the commissioner for certification under this article.

(2) Section 1(2), V.T.I.C. Article 21.52F, refers to Section 5.01(a), Medical Practice Act (Article 4495b, Vernon's Texas Civil Statutes). That statute was codified in 1999 as Section 162.001, Occupations Code. The revised law is drafted accordingly.

Revised Law

Sec. 844.002. EXCEPTIONS. This chapter does not apply to:

(1) an approved nonprofit health corporation that contracts to arrange for or provide health care services on a fee-for-service basis;

(2) a contract entered into by a certificate holder to arrange for or provide health care services on a fee-for-service basis; or

(3) an activity exempt from regulation under Section 843.053 or 843.073. (V.T.I.C. Art. 21.52F, Sec. 2(b).)

Source Law

(b) This article does not apply to:

(1) an approved nonprofit health corporation that contracts to arrange for or provide health care services on a fee-for-service basis;

(2) contracts entered into by a certificate holder to arrange for or provide health care services on a fee-for-service basis; or

(3) an activity exempt from regulation under Section 26(f), Texas Health Maintenance Organization Act (Chapter 20A, Vernon's Texas Insurance Code).

Revised Law

Sec. 844.003. EXCEPTIONS TO TEXAS HEALTH MAINTENANCE ORGANIZATION ACT. This chapter may not be construed to alter the exceptions stated in Sections 843.053 and 843.073. (V.T.I.C. Art. 21.52F, Sec. 2(d).)

Source Law

(d) This article shall not be construed to alter the exceptions set out in Section 26(f), Texas Health Maintenance Organization

Act (Chapter 20A, Vernon's Texas Insurance Code).

Revised Law

Sec. 844.004. RULES. Except as provided by Section 844.101(b), the commissioner shall adopt rules to implement this chapter. (V.T.I.C. Art. 21.52F, Sec. 7.)

Source Law

Sec. 7. Except as provided by Section 5(b) of this article, the commissioner shall adopt rules to implement this article.

Revised Law

Sec. 844.005. PROVISION OF CERTAIN SERVICES ON BEHALF OF HEALTH MAINTENANCE ORGANIZATIONS. (a) An approved nonprofit health corporation may arrange for or provide health care services on a risk-sharing or capitated risk arrangement on behalf of a health maintenance organization.

(b) An approved nonprofit health corporation is not required to obtain a certificate of authority under this chapter or under Chapter 843 to arrange for or provide health care services as provided by Subsection (a). (V.T.I.C. Art. 21.52F, Sec. 2(c).)

Source Law

(c) An approved nonprofit health corporation may arrange for or provide health care services on a risk-sharing or capitated risk arrangement on behalf of a health maintenance organization. An approved nonprofit health corporation acting under this subsection is not required to obtain a certificate of authority under this article or under the Texas Health Maintenance Organization Act (Chapter 20A, Vernon's Texas Insurance Code).

[Sections 844.006-844.050 reserved for expansion]

SUBCHAPTER B. AUTHORITY TO ENGAGE IN BUSINESS

Revised Law

Sec. 844.051. CERTIFICATE OF AUTHORITY REQUIRED. An approved nonprofit health corporation may not arrange for or provide a health care plan to enrollees on a prepaid basis unless the corporation holds a certificate of authority issued under this chapter. (V.T.I.C. Art. 21.52F, Sec. 2(a).)

Source Law

Sec. 2. (a) An approved nonprofit health corporation may arrange for or provide a health care plan to enrollees on a prepaid basis only if the corporation obtains and maintains a certificate of authority issued by the department under this article.

Revisor's Note

(1) Section 2(a), V.T.I.C. Article 21.52F, refers to a certificate of authority issued "by the department" under this chapter. The revised law omits the quoted language as unnecessary because only the Texas Department of Insurance may issue a certificate of authority under this chapter.

(2) Section 2(a), V.T.I.C. Article 21.52F, refers to a corporation that "obtains and maintains" a certificate of authority. The revised law substitutes "holds" for "obtains and maintains" because, in context, "obtains and maintains" and "holds" are synonymous and "holds" is more commonly used in licensing statutes.

Revised Law

Sec. 844.052. CERTIFICATE APPLICATION; ELIGIBILITY REQUIREMENTS. (a) An approved nonprofit health corporation may apply to the department for a certificate of authority under this chapter.

(b) The commissioner may issue a certificate of authority only to an applicant that:

(1) meets the same requirements for the issuance of a certificate of authority that a health maintenance organization is required to meet under Chapter 843; and

(2) establishes accreditation by:

(A) the National Committee on Quality Assurance;

(B) the Joint Commission on Accreditation of Healthcare Organization's accreditation for health care networks; or

(C) an accrediting organization recognized by rule of the commissioner. (V.T.I.C. Art. 21.52F, Secs. 3, 4(a) (part).)

Source Law

Sec. 3. The commissioner may issue a certificate of authority only to an approved nonprofit health corporation that:

(1) meets each requirement for the issuance of a certificate of authority as a health maintenance organization imposed by the Texas Health Maintenance Organization Act (Chapter 20A, Vernon's Texas Insurance Code) as if the approved nonprofit health corporation were a health maintenance organization; and

(2) is accredited under Section 4 of this article.

Sec. 4. (a) An applicant must establish . . . accreditation by:

(1) the National Committee on Quality Assurance;

(2) the Joint Commission on Accreditation of Healthcare Organization's accreditation for health care networks; or

(3) an accrediting organization recognized by rule of the commissioner.

Revisor's Note

The revised law clarifies the procedure by which an approved nonprofit health corporation obtains a certificate of authority under this chapter by stating that a corporation may apply to the department for a certificate of authority. Section 3, V.T.I.C. Article 21.52F (revised as this section), requires an approved nonprofit health corporation to meet the same requirements for issuance of a certificate of authority that a health maintenance organization is required to meet under Chapter 20A, revised in this code as Chapter 843. The requirements under that chapter include a requirement that a health maintenance organization file with the commissioner an application for a certificate of authority. See V.T.I.C. Article 20A.04, revised in this code as Section 843.076 and Sections 843.078-843.080. The revised law is drafted to clarify that the procedure for obtaining a certificate of authority under this chapter includes that application requirement.

Revised Law

Sec. 844.053. PROVISIONAL CERTIFICATE OF AUTHORITY. The commissioner shall grant a provisional certificate of authority

to an applicant if:

(1) the applicant has applied for accreditation from an accrediting organization described by Section 844.052(b)(2);

(2) the applicant is diligently pursuing accreditation;

(3) the accrediting organization has not denied the application for accreditation; and

(4) the applicant satisfies each other requirement of this chapter. (V.T.I.C. Art. 21.52F, Sec. 4(b).)

Source Law

(b) The commissioner shall grant a provisional certificate of authority to an applicant if:

(1) the applicant has applied for accreditation;

(2) the applicant is diligently pursuing accreditation;

(3) the accrediting organization has not denied the accreditation; and

(4) all other requirements of this article are satisfied.

Revised Law

Sec. 844.054. POWERS AND DUTIES OF CERTIFICATE HOLDER. (a) A certificate holder has all the powers granted to and duties imposed on a health maintenance organization under the insurance laws of this state, including Chapter 843, and is subject to regulation and regulatory enforcement under those laws in the same manner as a health maintenance organization.

(b) A certificate holder shall maintain accreditation as described by Section 844.052(b)(2). (V.T.I.C. Art. 21.52F, Secs. 4(a) (part), 6.)

Source Law

Sec. 4. (a) . . . a certificate holder must maintain [accreditation by:

(1) the National Committee on Quality Assurance;

(2) the Joint Commission on Accreditation of Healthcare Organization's accreditation for health care networks; or

(3) an accrediting organization recognized by rule of the commissioner.]

Sec. 6. A certificate holder has all the powers granted to and duties imposed on a health maintenance organization under the

Texas Health Maintenance Organization Act (Chapter 20A, Vernon's Texas Insurance Code) and the insurance laws of this state, and is subject to regulation and regulatory enforcement under those laws in the same manner as a health maintenance organization.

[Sections 844.055-844.100 reserved for expansion]

SUBCHAPTER C. PROHIBITED CONDUCT

Revised Law

Sec. 844.101. UNFAIR COMPETITION. (a) A certificate holder may not engage in unfair and disruptive provider hiring or contracting practices for the purpose of limiting competition from traditional community providers.

(b) The Texas State Board of Medical Examiners shall adopt rules to implement this section. (V.T.I.C. Art. 21.52F, Sec. 5.)

Source Law

Sec. 5. (a) A certificate holder may not engage in unfair and disruptive provider hiring or contracting practices, the purpose of which is to limit competition from traditional community providers.

(b) The Texas State Board of Medical Examiners shall adopt rules to implement this section.

Revised Law

Sec. 845.002. DEFINITIONS. In this chapter:

(1) "Board" means the board of directors of the system.

(3) "Health care services" has the meaning assigned by Section 843.002.

(6) "Participating hospital provider" means a hospital provider that participates in the system.

(9) "System" means the statewide rural health care system established under this chapter.

(10) "Territorial jurisdiction" means the geographical area in which a participating hospital provider is obligated by law to provide health care services. (V.T.I.C. Art. 20C.02, Subsec. (a).)

Source Law

Art. 20C.02. (a) In this chapter:

(1) "Board" means the board of directors of the system.

(2) "Enrollee" means an individual entitled to receive health care services through a health care plan arranged for or provided by the system.

(3) "Health care services" has the meaning assigned by Section 2, Texas Health Maintenance Organization Act (Article 20A.02, Vernon's Texas Insurance Code).

(4) "Hospital provider" means a county hospital, county hospital authority, hospital district, municipal hospital, or municipal hospital authority.

(A) a person licensed, registered, or certified as a health care practitioner in this state who resides in or practices in a rural area in which the person provides health care services; or

(B) a general or specialty hospital that is not a hospital provider

under this chapter.

(6) "Participating provider" means a hospital provider that participates in the system.

(7) "Person" means an individual, professional association, professional corporation, partnership, limited liability corporation, limited liability partnership, or nonprofit corporation, including a nonprofit corporation created under Section 5.01(a), Medical Practice Act (Article 4495b, Vernon's Texas Civil Statutes).

(8) "Rural area" means:

(A) a county with a population of 50,000 or less;

(B) an area that is not delineated as an urbanized area by the federal census bureau; or

(C) any other area designated as rural by rules adopted by the commissioner, subject to Subsection (b) of this article.

(9) "System" means the statewide rural health care system established by this chapter.

(10) "Territorial jurisdiction" means the geographical area in which a participating provider is obligated by law to provide health care services.

Revisor's Note

Subsection (a)(7), V.T.I.C. Article 20C.02, refers to a nonprofit corporation created under Section 5.01(a), Medical Practice Act (Article 4495b, Vernon's Texas Civil Statutes). The revised law refers instead to a nonprofit corporation certified under that statute because that statute provides for the certification of nonprofit organizations already created under the Texas Non-Profit Corporation Act. In addition, Section 5.01(a), V.A.C.S. Article 4495b, was codified in 1999 as Section 162.001, Occupations Code. The revised law is drafted accordingly.

Revised Law

Sec. 845.003. RURAL AREA DESIGNATION. In determining whether to designate an area as a rural area under this chapter,

the commissioner shall consider any area that is delineated as an urbanized area by the United States Bureau of the Census and:

(1) is contiguous with and not more than 10 miles away from a rural area described by Section 845.002(8)(A) or (B);

(2) is sparsely populated, compared to areas within a 10-mile radius that are delineated as urbanized areas by the United States Bureau of the Census;

(3) has not increased in population in any single calendar year in the seven years before the commissioner makes the designation; and

(4) in which emergency or primary care services:

(A) are limited or unavailable in accordance with network access standards imposed by the commissioner under Chapters 20A and 843; and

(B) would be made materially more accessible by allowing access to care in a contiguous area that is otherwise eligible to participate in the system. (V.T.I.C. Art. 20C.02, Subsec. (b).)

Source Law

(b) In designating rural areas under Subsection (a)(8) of this article, the commissioner shall consider any area that is delineated as an urbanized area by the federal census bureau and:

(1) is contiguous with and not more than 10 miles away from a rural area described by Subsection (a)(8)(A) or (B) of this section;

(2) is sparsely populated, compared to areas within a 10-mile radius that are delineated as urbanized areas by the federal census bureau;

(3) has not increased in population in any single calendar year in the seven years before the commissioner makes the designation; and

(4) in which emergency or primary care services are limited or unavailable in accordance with network access standards imposed by the commissioner under the Texas Health Maintenance Organization Act (Chapter 20A, Vernon's Texas Insurance Code) and in which those services would be made materially more accessible by allowing access to care in a contiguous area that is eligible to participate in the system.

Revised Law

Sec. 845.004. RULES. The commissioner shall adopt rules as necessary to implement this chapter. (V.T.I.C. Art. 20C.15.)

SUBCHAPTER B. SYSTEM

Revised Law

Sec. 845.051. STATEWIDE RURAL HEALTH CARE SYSTEM. The commissioner shall designate a single organization as the statewide rural health care system to arrange for or provide health care services to enrollees who reside in rural areas. (V.T.I.C. Art. 20C.03; Art. 20C.04, Subsec. (a).)

Source Law

Art. 20C.03. The statewide rural health care system is established to arrange for or provide health care services to enrollees who reside in rural areas.

Art. 20C.04. (a) The commissioner shall designate as the system one organization created under Article 20C.05 of this code.

Revisor's Note

V.T.I.C. Article 20C.03 provides for the establishment of the statewide rural health care system. The revised law omits this provision as executed.

Revised Law

Sec. 845.052. ORGANIZATION REQUIREMENTS. The system must:

(1) be a corporation organized under the Texas Non-Profit Corporation Act (Article 1396-1.01 et seq., Vernon's Texas Civil Statutes); and

(2) consist of a combination of two or more hospital providers, each of which:

(A) is a member of the corporation; and

(B) is located in a rural area. (V.T.I.C. Art. 20C.05, Subsec. (a).)

Source Law

Art. 20C.05. (a) The system must be:

(1) a corporation organized under

the Texas Non-Profit Corporation Act (Article 1396-1.01 et seq., Vernon's Texas Civil Statutes); and

(2) composed of a combination of two or more hospital providers that are members of the corporation and that are located in a rural area.

Revised Law

Sec. 845.053. APPLICATION OF TEXAS HEALTH MAINTENANCE ORGANIZATION ACT. (a) Except as otherwise provided by this section, if the system arranges for or provides health care services to enrollees in exchange for a predetermined payment per enrollee on a prepaid basis, the system must obtain a certificate of authority under Chapter 843 and meet each requirement imposed by that chapter.

(b) The commissioner by rule may provide exceptions to the application to the system of provisions of Chapter 20A or 843 that relate to mileage, distance, and network adequacy and scope.

(c) The system may fulfill the reserve requirements under Chapter 843 by purchasing reinsurance from insurance companies approved for that purpose by the commissioner. (V.T.I.C. Art. 20C.04, Subsecs. (b), (c), (d).)

Source Law

(b) Except as provided by Subsection (c) of this article, if the system arranges for or provides health care services to enrollees in exchange for a predetermined payment per enrollee on a prepaid basis, the system must obtain a certificate of authority under, and meet each requirement imposed by, the Texas Health Maintenance Organization Act (Chapter 20A, Vernon's Texas Insurance Code), as if the organization were a person under the Act.

(c) If the system seeks a certificate of authority under the Texas Health Maintenance Organization Act (Chapter 20A, Vernon's Texas Insurance Code), the commissioner by rule may provide exceptions to the application of provisions of the Texas Health Maintenance Organization Act (Chapter 20A, Vernon's Texas Insurance Code) relating to mileage, distance, and network adequacy and scope.

(d) If the system seeks a certificate of authority under the Texas Health

Maintenance Organization Act (Chapter 20A, Vernon's Texas Insurance Code), the system shall meet all reserve requirements required by the commissioner under the Texas Health Maintenance Organization Act (Chapter 20A, Vernon's Texas Insurance Code). The system may fulfill the requirements of this subsection through the purchase of reinsurance from insurance companies approved for that purpose by the commissioner.

Revisor's Note

(1) Subsection (b), V.T.I.C. Article 20C.04, requires the statewide rural health care system under certain circumstances to meet each requirement of the Texas Health Maintenance Organization Act "as if the organization were a person under the Act." The revised law omits the quoted language as unnecessary because the term "person" as it is used under the Texas Health Maintenance Organization Act includes any legal entity and specifically includes the system.

(2) Subsection (d), V.T.I.C. Article 20C.04, states that "[i]f the system seeks a certificate of authority under the Texas Health Maintenance Organization Act (Chapter 20A, Vernon's Texas Insurance Code), the system shall meet all reserve requirements required by the commissioner under the Texas Health Maintenance Organization Act (Chapter 20A, Vernon's Texas Insurance Code)." The revised law omits the quoted language because it is redundant of Subsection (b), V.T.I.C. Article 20C.04, which requires the system to meet each requirement of the Texas Health Maintenance Organization Act (revised as Chapter 843 of this code) to obtain a certificate of authority under the Act. These requirements include the reserve requirements under the Act.

Revised Law

Sec. 845.054. LOCAL GOVERNMENT. (a) The system is:

(1) a unit of local government that is a governmental unit for purposes of Chapter 101, Civil Practice and Remedies Code; and

(2) a local government for purposes of Chapter 102, Civil Practice and Remedies Code.

(b) The system may enter into interlocal cooperation contracts under Chapter 791, Government Code, and is a local government for purposes of that chapter. (V.T.I.C. Art. 20C.05, Subsecs. (b), (c).)

Source Law

(b) The system is:

(1) a unit of local government that is a governmental unit for purposes of Chapter 101, Civil Practice and Remedies Code; and

(2) a local government for purposes of Chapter 102, Civil Practice and Remedies Code.

(c) The system may enter into interlocal cooperation contracts under Chapter 791, Government Code, and is a local government for purposes of that chapter.

Revised Law

Sec. 845.055. PROVISION OF ADMINISTRATIVE AND HEALTH CARE SERVICES. (a) The system shall contract with or otherwise arrange for local health care provider networks composed of not more than 19 counties to deliver health care services to enrollees residing in the rural areas of the territorial jurisdiction of the participating hospital providers.

(b) If the local health care provider networks under contract or arrangement with the system as provided by Subsection (a) are unable to provide the type and quality of health care services required by the enrollees, the system may contract with health care practitioners who are not local health care providers.

(c) The system may:

(1) enter into a contract or joint venture to provide administrative services under this chapter;

(2) enter into an intergovernmental or interlocal agreement; or

(3) provide technical assistance and management services to local health care providers as necessary to deliver health care services. (V.T.I.C. Art. 20C.11, Subsecs. (b), (c), (d); Art. 20C.12, Subsecs. (b), (c).)

Source Law

[Art. 20C.11]

(b) The system may enter into contracts or joint ventures to provide administrative services under this chapter.

(c) The system may enter into

intergovernmental and interlocal agreements.

(d) The system may provide technical assistance and management services to local health care providers as necessary to deliver health care services.

[Art. 20C.12]

(b) The system shall contract with or otherwise arrange for local health care providers to deliver health care services to enrollees residing in the rural areas of the territorial jurisdiction of the participants. If those local health care providers are unable to provide the type and quality of services needed by the enrollees, the system may contract with health care practitioners who are not local health care providers.

(c) In contracting with or otherwise arranging for local health care providers to deliver health care services to rural enrollees, the system may contract only with local health care provider networks that are composed of not more than 19 counties.

Revised Law

Sec. 845.056. GIFTS AND GRANTS. The system may accept gifts or grants of money or property to provide programs and services. (V.T.I.C. Art. 20C.13.)

Source Law

Art. 20C.13. The system may accept gifts and grants of money, personal property, and real property to use in the provision of the system's programs and services.

Revisor's Note

V.T.I.C. Article 20C.13 refers to gifts and grants of "personal property" and "real property." The revised law refers to gifts and grants of "property" because under Section 311.005(4), Government Code (Code Construction Act), "property" includes both real and personal property. That definition applies to the revised law.

Revised Law

Sec. 845.057. LIMITATION ON AUTHORITY OF PARTICIPATING HOSPITAL PROVIDERS. The participating hospital providers may exercise only the authority provided by Sections 845.058,

845.101, and 845.103. (V.T.I.C. Art. 20C.10, Subsec. (a) (part).)

Source Law

Art. 20C.10. (a) The powers of the participating providers are limited to:

[(1) the election, by a majority vote of the governing bodies of the participating providers, of the six members of the board of directors of the system to be appointed by the combined participating providers under Article 20C.06(b) of this code;

(2) the authorization by a two-thirds vote of the sale of the system or substantially all of the assets of the system; and

(3) the removal by a two-thirds vote of any member of the board who was appointed by the participating providers.]

Revised Law

Sec. 845.058. SALE OR DISSOLUTION OF SYSTEM. (a) The participating hospital providers may authorize, by a two-thirds vote, the sale of the system or substantially all of the assets of the system.

(b) Except as otherwise provided by law, on the sale or dissolution of the system or the sale of substantially all of the assets of the system, the net revenue shall be distributed equally to the participating hospital providers after payment of any outstanding liabilities incurred by the system. (V.T.I.C. Art. 20C.10, Subsecs. (a) (part), (b).)

Source Law

[(a) The powers of the participating providers are limited to:]

. . .

(2) the authorization by a two-thirds vote of the sale of the system or substantially all of the assets of the system; and

. . . .

(b) Except as otherwise provided by law, in the event of the sale or dissolution of the system or substantially all of the assets of the system, the net revenue shall be redistributed on an equal basis to the participating providers after payment of any outstanding debts, liabilities, or other

obligations incurred by the system.

Revisor's Note

Subsection (b), V.T.I.C. Article 20C.10, refers to "debts, liabilities, or other obligations" of the statewide rural health care system. The references to "debts" and "obligations" are omitted from the revised law because the meaning of each of those terms is included in the meaning of "liabilities."

[Sections 845.059-845.100 reserved for expansion]

SUBCHAPTER C. BOARD OF DIRECTORS

Revised Law

Sec. 845.101. APPOINTMENT OF BOARD. (a) The system is governed by a board of directors that consists of 18 members. Notwithstanding the Texas Non-Profit Corporation Act (Article 1396-1.01 et seq., Vernon's Texas Civil Statutes), appointments to the board shall be made as provided by this section.

(b) The participating hospital providers shall elect, by a majority vote of the governing bodies of the participating hospital providers, six members who represent the participating hospital providers.

(c) The governor shall appoint:

(1) six members who reside in the territorial jurisdictions of the participating hospital providers, including:

(A) two members who represent employers;

(B) two members who are local government officials; and

(C) two members who are consumers of health care services; and

(2) six members who are licensed physicians who reside and practice in the territorial jurisdictions of the participating hospital providers, including at least three members who perform the general practice of medicine as their professional practice.

[Art. 3.95-2]

(b) . . . [The application shall be completed and submitted along with all information required by the commissioner, including:]

(1) copies of all articles, bylaws, agreements, trusts, or other documents or instruments describing the rights and obligations of employers, employees, and beneficiaries with respect to the multiple employer welfare arrangement; . . . .

Revisor's Note

(1) Subdivision (1), V.T.I.C. Article 3.95-1, defines "board" as the Texas Department of Insurance or the commissioner, as appropriate. Chapter 685, Acts of the 73rd Legislature, Regular Session, 1993, abolished the State Board of Insurance and transferred its functions to the commissioner of insurance and the Texas Department of Insurance. Chapter 31 of this code defines "department" for purposes of this code and the other insurance laws of this state to mean the Texas Department of Insurance. Throughout this chapter, references to the former board have been changed appropriately. The omitted law reads:

(1) "Board" means the Texas Department of Insurance or the commissioner, as appropriate.

(2) The revised law defines "board" to

mean the board of trustees or board of directors of a multiple employer welfare arrangement for drafting convenience and to eliminate frequent, unnecessary repetition of the substance of the definition.

(3) Subdivision (2), V.T.I.C. Article 3.95-1, defines "commissioner." The revised law omits the definition as unnecessary because Chapter 31 defines "commissioner" for purposes of this code and the other insurance laws of this state to mean "commissioner of insurance." The omitted law reads:

(2) "Commissioner" means the commissioner of insurance.

(4) Subdivision (11), V.T.I.C. Article 3.95-1, refers to a provision that "denies, excludes, or limits" coverage. The reference to "denies" is omitted from the revised law because in context "denies" is included within the meaning of "excludes."

(5) Subdivision (b)(6), V.T.I.C. Article 3.95-1.6, excludes "Medicare supplement and Medicare Select policies" from the definition of "health benefit plan." The revised law substitutes "Medicare supplement and Medicare Select benefit plans" for "Medicare supplement and Medicare Select policies" because federal and state law permit Medicare supplement and Medicare Select benefits to be provided through health maintenance organizations, which are not insurers. Consequently, "benefit plan" is a more accurate term than "policy."

(6) The definition of "organizational document" is derived from V.T.I.C. Article 3.95-2(b) and is added to the revised law for drafting convenience and to eliminate frequent, unnecessary repetition of the substance of the definition. See also V.T.I.C. Article 3.95-7(c), revised in this chapter in Section 846.101.

Revised Law

Sec. 846.002. APPLICABILITY OF CHAPTER. (a) In this section, "fully insured multiple employer welfare arrangement" means an arrangement that provides to its participating employees and beneficiaries benefits for which 100 percent of the liability has been assumed by an insurance company authorized to do

business in this state.

(b) This chapter applies only to a multiple employer welfare arrangement that meets either or both of the following criteria:

(2) the arrangement solicits an employer that:

(A) is domiciled in this state; or

(B) has its principal headquarters or principal administrative office in this state.

(c) This chapter does not apply to a fully insured multiple employer welfare arrangement during the period in which the arrangement is fully insured. The commissioner periodically may require proof that the arrangement is fully insured. (V.T.I.C. Art. 3.95-1, Subdivs. (5), (9) (part); Art. 3.95-2, Subsec. (a) (part).)

(5) "Fully insured multiple employer welfare arrangement" means a multiple employer welfare arrangement that provides benefits to its participating employees and beneficiaries for which 100 percent of the liability has been assumed by an insurance company authorized to do business in this state.

[(9) "Multiple employer welfare arrangement" has the meaning assigned by Section 3(40) of the Employee Retirement Income Security Act of 1974 (29 U.S.C. Section 1002(40))] to describe an entity which meets either or both of the following criteria:

(A) one or more of the employer members in the multiple employer welfare arrangement is either domiciled in this state or has its principal headquarters or principal administrative office in this state; or

(B) the multiple employer welfare arrangement solicits an employer that is domiciled in this state or has its principal headquarters or principal

administrative office in this state.

[Art. 3.95-2]

(a) . . . This subchapter shall not apply to a fully insured multiple employer welfare arrangement for so long as such multiple employer welfare arrangement remains fully insured. The commissioner may, from time to time, require proof that the multiple employer welfare arrangement is fully insured.

Source Law

Art. 3.95-13. Revised Law

Sec. 846.004. LATE-PARTICIPATING EMPLOYEE OR DEPENDENT. (a) For purposes of this chapter, an employee or dependent eligible for enrollment in a participating employer's health benefit plan is a late-participating employee or dependent if the individual requests enrollment after the expiration of:

(1) the initial enrollment period established under the terms of the first health benefit plan for which that employee or dependent was eligible through the participating employer; or

(2) an open enrollment period under Section 846.257.

(b) An employee or dependent is not a late-participating employee or dependent if the individual:

(1) was covered under another health benefit plan or self-funded employer health benefit plan at the time the individual was eligible to enroll;

(2) declined enrollment in writing, at the time of the initial eligibility for enrollment, stating that coverage under another health benefit plan or self-funded employer health benefit plan was the reason for declining enrollment;

Sec. 846.005. RULES; ORDERS. (a) The commissioner may, on notice and opportunity for all interested persons to be heard, adopt rules and issue orders reasonably necessary to augment and implement this chapter.

(b) The commissioner shall adopt rules necessary to meet the minimum requirements of federal law and regulations. (V.T.I.C. Art. 3.95-15, Subsec. (a).)

Source Law

Art. 3.95-15. (a) The commissioner may, on notice and opportunity for all interested persons to be heard, issue such rules, regulations, and orders as are reasonably necessary to augment and carry out the provisions of this subchapter. The commissioner shall adopt rules as necessary to meet the minimum requirements of federal law and regulations.

Revisor's Note

Subsection (a), V.T.I.C. Article 3.95-15, refers to "rules" and "regulations" adopted by the commissioner. The revised law omits the reference to "regulations" because under Section 311.005(5), Government Code (Code Construction Act), a rule is defined to include a regulation. That definition applies to the revised law.

Revised Law

Sec. 846.006. APPEAL OF ORDERS. A person affected by an order of the commissioner issued under this chapter may appeal that order by filing suit in a district court in Travis County under Subchapter D, Chapter 36. (V.T.I.C. Art. 3.95-15, Subsec. (c).)

Source Law

(c) A person affected by the board's order may appeal that order by filing suit in a district court in Travis County pursuant to Subsection (f) of Article 1.04 of this code.

Revisor's Note

Subsection (b), V.T.I.C. Article 3.95-15, provides that a person affected by a final ruling or action of the commissioner may have that ruling reviewed. This subsection is omitted from the revised law because Subsection (d), V.T.I.C. Article 1.04, was repealed by Chapter 685, Acts of the 73rd Legislature, Regular Session, 1993. The omitted law reads:

(b) A person affected by a final ruling or action of the commissioner under this subchapter is entitled to have that ruling or action reviewed by the board by submitting an

application to the board as provided by Subsection (d) of Article 1.04 of this code. Appeal of the commissioner's ruling or action to the board does not operate as a stay of the ruling or action except as otherwise ordered by the board on application by the appellant.

Sec. 846.007. PREMIUM RATES; ADJUSTMENTS. (a) A multiple employer welfare arrangement may charge premiums in accordance with this section to the group of employees or dependents who meet the participation criteria and who do not decline coverage.

(b) A multiple employer welfare arrangement may not charge an adjustment to premium rates for individual employees or dependents for health status related factors or duration of coverage. Any adjustment must be applied uniformly to the rates charged for all participating employees and dependents of participating employees of the employer.

(c) Subsection (b) does not restrict the amount that an employer may be charged for coverage.

(d) A multiple employer welfare arrangement may establish premium discounts, rebates, or a reduction in otherwise applicable copayments or deductibles in return for adherence to programs of health promotion and disease prevention. A discount, rebate, or reduction established under this subsection does not violate Section 4(8), Article 21.21. (V.T.I.C. Art. 3.95-4.1, Subsec. (b) (part); Art. 3.95-4.6.)

Revisor's Note
(End of Subchapter)

Subsection (g), V.T.I.C. Article 3.95-2, provides that certain multiple employer welfare arrangements must file certain notices with the commissioner by December 31, 1993. The revised law omits this subsection as executed. The omitted law reads:

(g) A multiple employer welfare arrangement in existence on June 1, 1993, shall file notice with the commissioner by December 31, 1993, of its intent to apply for an initial certificate of authority and shall file for its initial certificate of authority by June 1, 1994. The multiple employer welfare arrangement may continue to conduct business until the initial certificate of authority is granted or finally denied by the commissioner.

Revisor's Note

Subsection (f), V.T.I.C. Article 3.95-2, refers to "28 U.S.C. Section 1111." The correct citation to the referenced law is 29 U.S.C. Section 1111, not 28 U.S.C. Section 1111. The revised law is drafted accordingly.

(1) an application fee for an initial certificate of authority;

(2) an application fee for a final certificate of authority; and

(3) a filing fee for submission of the arrangement's annual statement.

(b) The commissioner shall set the fees described by Subsection (a) in amounts reasonable and necessary to defray the costs of administering this chapter.

(c) Each multiple employer welfare arrangement shall appoint the commissioner as its resident agent for purposes of service of process. The fee for that service is $50, payable at the time of appointment.

(d) Fees paid under this section shall be deposited to the credit of the Texas Department of Insurance operating fund. (V.T.I.C. Art. 3.95-3.)

Source Law

Art. 3.95-3. (a) The commissioner shall collect and the multiple employer welfare arrangement shall pay fees to the commissioner as set by the commissioner for:

(1) application for initial certificate of authority;

(2) application for final certificate of authority; and

(3) filing fee for annual statement.

(b) The commissioner shall set the fees established in accordance with Subsection (a)

of this article in amounts reasonable and necessary to defray the cost of administration of this subchapter.

(d) Fees paid under this article shall be deposited in the state treasury to the credit of the State Board of Insurance operating fund.

Revisor's Note

V.T.I.C. Article 3.95-3(d) states that fees "shall be deposited in the state treasury to the credit of the State Board of Insurance operating fund." Under Chapter 4, Acts of the 72nd Legislature, 1st Called Session, 1991, the Texas Department of Insurance operating fund (the later name of the State Board of Insurance operating fund) was converted to an account in the general revenue fund. The revised law is drafted accordingly.

Sec. 846.060. SUSPENSION, REVOCATION, OR LIMITATION OF CERTIFICATE OF AUTHORITY. In addition to any requirement or remedy under a law cited under Section 846.003, the commissioner may suspend, revoke, or limit the certificate of authority of a multiple employer welfare arrangement if the commissioner determines, after notice and hearing, that the agreement does not comply with this chapter. (V.T.I.C. Art. 3.95-14, Subsec. (a).)

Source Law

Art. 3.95-14. (a) In addition to any requirements or remedies set out in Article 3.95-13 of this code, the commissioner may suspend, revoke, or limit the certificate of authority of a multiple employer welfare arrangement if the commissioner finds, after motion and hearing, that the multiple employer welfare agreement does not meet the requirements of this subchapter.

Revisor's Note

Subsection (a), V.T.I.C. Article 3.95-14, refers to an action by the

commissioner after "motion and hearing." It is clear from the context that "motion and hearing" is a typographical error and that the legislature intended to use the common phrase "notice and hearing." The revised law is drafted accordingly.

Sec. 846.061. ACTION BY ATTORNEY GENERAL. (a) The commissioner may notify the attorney general of a violation of this chapter, and the attorney general may apply to a district court in Travis County for leave to file suit in the nature of quo warranto or for injunctive relief or both.

(b) The attorney general may seek and the court may order:

(1) restitution for victims of an act declared to be unlawful under this chapter;

Source Law

(b) At least 75 percent of the trustees or directors shall be elected by the member employers of the multiple employer welfare arrangement. Each trustee or director shall be elected for at least a two-year term. Each member employer of a multiple employer welfare arrangement shall be given notice of every election of trustees or directors and shall be entitled to an equal vote either in person or by proxy in writing signed by the member employer. No owner, officer, or employee of a third-party administrator who provides services to the multiple employer welfare arrangement or of any other person who has received compensation from the multiple employer welfare arrangement may serve as proxy.

members of a multiple employer welfare arrangement are responsible for all operations of the arrangement and shall take all necessary precautions to safeguard the assets of the arrangement.

(b) A board member shall give the attention and exercise the vigilance, diligence, care, and skill that a prudent person would use in like or similar circumstances. (V.T.I.C. Art. 3.95-10, Subsec. (a) (part).)

Source Law

Art. 3.95-10. (a) The trustees or directors of a multiple employer welfare arrangement shall give the attention and exercise the vigilance, diligence, care, and skill that prudent persons use in like or similar circumstances. Trustees or directors shall be responsible for all operations of the multiple employer welfare arrangement and shall take all necessary precautions to safeguard the assets of the multiple employer welfare arrangement. . . .

Revised Law

Sec. 846.103. LIMITATION ON ACTION AGAINST BOARD MEMBER. A board member may not be held liable in a private cause of action for any delinquency under Section 846.102 after the expiration of the earlier of:

(1) six years from the date of delinquency; or

(2) two years from the time when the delinquency is discovered by a person complaining of the delinquency. (V.T.I.C. Art. 3.95-10, Subsec. (a) (part).)

Source Law

(a) . . . No trustee or director shall be held liable in a private cause of action for any delinquency under this article after six years from the date of delinquency or after two years from the time when the delinquency is discovered by a person complaining of the delinquency, whichever occurs sooner.

Revisor's Note

Subsection (a), V.T.I.C. Article 3.95-10, refers to liability of a trustee or director "under this article," meaning Article 3.95-10. The pertinent provision of that article is revised in this chapter as

Section 846.102, and a cross-reference to that section is included in the revised law for the convenience of the reader.

Revised Law

Sec. 846.104. COMPENSATION OF BOARD MEMBERS. A board member serves without compensation from the multiple employer welfare arrangement except for actual and necessary expenses. (V.T.I.C. Art. 3.95-10, Subsec. (c) (part).)

Source Law

(c) Trustees or directors shall serve without compensation from the multiple employer welfare arrangement except for actual and necessary expenses. . . .

Revised Law

Sec. 846.105. OFFICERS; AGENTS. (a) The board shall select officers for the multiple employer welfare arrangement as designated in the organizational documents and may appoint agents as necessary for the arrangement to engage in business. Each officer and agent may exercise the authority and perform the duties required in the management of the property and affairs of the arrangement as delegated by the board.

(b) The board may remove an officer or agent if the board determines that the business interests of the multiple employer welfare arrangement are served by the removal.

(c) The board shall secure the fidelity of any or all of the officers or agents who handle the funds of the multiple employer welfare arrangement by bond or otherwise. (V.T.I.C. Art. 3.95-10, Subsec. (b).)

Source Law

(b) The board of trustees or directors shall select such officers as designated in the articles or bylaws or trust agreement and may appoint agents as deemed necessary for the transaction of the business of the multiple employer welfare arrangement. All officers and agents shall respectively have such authority and perform such duties in the management of the property and affairs of the multiple employer welfare arrangement as may be delegated by the board of trustees or directors. Any officer or agent may be removed by the board of trustees or directors whenever in their judgment the business interests of the multiple employer welfare arrangement will be served by the removal.

The board of trustees or directors shall secure the fidelity of any or of all such officers or agents who handle the funds of the multiple employer welfare arrangement by bond or otherwise.

Revisor's Note

Subsection (b), V.T.I.C. Article 3.95-10, refers to the "articles or bylaws or trust agreement" of a multiple employer welfare arrangement. The revised law substitutes the defined term "organizational documents" because it is clear from the context that the legislature intended to refer to all of these documents. Similar changes are made throughout this chapter.

Revised Law

Sec. 846.106. COMPENSATION OF OFFICERS, AGENTS, AND EMPLOYEES. (a) A multiple employer welfare arrangement may pay the officers and agents of the arrangement suitable compensation. An officer, employee, or agent of an arrangement may not be compensated unreasonably.

(b) The compensation of any officer or employee of a multiple employer welfare arrangement may not be computed directly or indirectly as a percentage of money or premium collected.

(c) The compensation of an agent may not exceed five percent of the money or premium collected.

(d) A multiple employer welfare arrangement may pay compensation or make an emolument to an officer of the arrangement only if the compensation or emolument is first authorized by a majority vote of the board of the arrangement. (V.T.I.C. Art. 3.95-6 (part); Art. 3.95-10, Subsecs. (c) (part), (d).)

Source Law

[Art. 3.95-6]

. . .

[(4) to appoint such officers and agents as the business of the multiple employer welfare arrangement shall require] and to allow them suitable compensation; . . . .

[Art. 3.95-10]

(c) . . . A multiple employer welfare arrangement shall not pay any salary, compensation, or emolument to any officer of

the multiple employer welfare arrangement unless the payment is first authorized by a majority vote of the board of trustees or directors of the multiple employer welfare arrangement.

(d) An officer, employee, or agent of a multiple employer welfare arrangement shall not be compensated unreasonably. The compensation of any officer or employee of a multiple employer welfare arrangement shall not be calculated directly or indirectly as a percentage of money or premium collected. The compensation of any agent shall not exceed five percent of the money or premium collected.

Revisor's Note

Subsection (c), V.T.I.C. Article 3.95-10, refers to "salary, compensation, or emolument." The revised law omits the reference to "salary" because that concept is included in the meaning of "compensation."

Revised Law

Sec. 846.107. RECEIPT OF THING OF VALUE; CRIMINAL PENALTY. (a) A board member, officer, or employee of a multiple employer welfare arrangement may not, knowingly and intentionally, directly or indirectly:

(1) receive money or another valuable thing for negotiating, procuring, recommending, or aiding in:

(A) a purchase by or sale to the arrangement of property; or

(B) a loan from the arrangement; or

(2) be pecuniarily interested as a principal, coprincipal, agent, or beneficiary in a purchase, sale, or loan described by Subdivision (1).

(b) A person commits an offense if the person violates this section. An offense under this subsection is a felony of the third degree. (V.T.I.C. Art. 3.95-11.)

Source Law

Art. 3.95-11. (a) An officer, trustee, director, or employee of a multiple employer welfare arrangement shall not knowingly and intentionally, directly or indirectly, receive any money or valuable thing for negotiating, procuring, recommending, or aiding in any purchase by or sale to the multiple employer welfare arrangement of any

property or any loan from the multiple employer welfare arrangement or be pecuniarily interested either as principal, coprincipal, agent, or beneficiary in any such purchase, sale, or loan.

(b) A person who violates this article is guilty of an offense. An offense under this section is a felony of the third degree.

SUBCHAPTER D. POWERS AND DUTIES OF MULTIPLE EMPLOYER WELFARE ARRANGEMENTS

Revised Law

Sec. 846.151. GENERAL POWERS. (a) Unless otherwise provided by or inconsistent with this chapter, each multiple employer welfare arrangement may exercise the powers provided by this section.

(b) A multiple employer welfare arrangement may have succession, by its name, for the term stated in its trust agreement.

(c) A multiple employer welfare arrangement may sue and be sued. An arrangement may:

(1) complain and defend in any court;

(2) be a party to any proceedings before a public body of this state or of any other state or government; and

(3) sue a participating employer, an employee, or a beneficiary for any cause relating to the business of the arrangement.

(d) A multiple employer welfare arrangement may have a seal that may be used by having the seal or a facsimile of the seal impressed, affixed, or otherwise reproduced. The arrangement may alter the seal at will.

(e) A multiple employer welfare arrangement may appoint officers and agents as the business of the arrangement requires.

(f) A multiple employer welfare arrangement may adopt, amend, and repeal bylaws as necessary for the government of its affairs.

(g) A multiple employer welfare arrangement may conduct its business in this state, other states, and foreign countries and their territories and colonies.

(h) A multiple employer welfare arrangement may have offices outside this state.

(i) A multiple employer welfare arrangement may acquire, hold, mortgage, pledge, assign, and transfer real and personal property subject to this chapter. (V.T.I.C. Art. 3.95-6 (part).)

Source Law

Art. 3.95-6. Every multiple employer welfare arrangement, unless otherwise provided in or inconsistent with this subchapter, shall have power:

(1) to have succession, by its name, for the term stated in its trust agreement;

(2) to sue and be sued, to complain and defend in any court of law or equity, or to be a party to any proceedings before any board or commission or other public body of this state or of any other state or government; suits at law may be maintained by the multiple employer welfare arrangement against any of its participating employers, employees, or beneficiaries for any cause relating to the business of the multiple employer welfare arrangement;

(3) to have a seal which may be altered at pleasure and to use the seal by causing it or a facsimile of it to be impressed, affixed, or otherwise reproduced;

(4) to appoint such officers and agents as the business of the multiple employer welfare arrangement shall require . . . ;

(5) to make, alter, amend, and repeal bylaws for the regulation and government of its affairs; and

(6) to conduct its business in this state, other states, the District of Columbia, the territories and colonies of the United States, and foreign countries and their territories and colonies; to have one or more offices out of this state; and to acquire, purchase, hold, mortgage, pledge, assign, transfer, and convey real and personal property subject to the provisions of this subchapter.

Revisor's Note

(1) Subdivision (2), V.T.I.C. Article 3.95-6, provides that a multiple employer welfare arrangement may "complain and defend in any court of law or equity." The revised law omits "of law or equity" as unnecessary

because that term is included within the meaning of "any court."

(2) Subdivision (2), V.T.I.C. Article 3.95-6, refers to "proceedings before any board or commission or other public body." The references to "board" and "commission" are omitted from the revised law because those terms are included within the meaning of "public body."

(3) Subdivision (5), V.T.I.C. Article 3.95-6, grants a multiple employer welfare arrangement the power "to make, alter, amend, and repeal bylaws for the regulation and government of its affairs." The revised law substitutes "adopt" for "make" and "alter" because "make" and "alter" are included within the meaning of "adopt." The revised law omits the reference to "regulation" because, in context, "regulation" is included within the meaning of "government."

(4) Subdivision (6), V.T.I.C. Article 3.95-6, refers to "the District of Columbia, [and] the territories and colonies of the United States." The quoted language is omitted because under Section 311.005(7), Government Code (Code Construction Act), "state," when referring to a part of the United States, includes a district, commonwealth, territory, or insular possession of the United States. The definition applies to the revised law.

(5) Subdivision (6), V.T.I.C. Article 3.95-6, grants a multiple employer welfare arrangement the power "to acquire, purchase, hold, mortgage, pledge, assign, transfer, and convey real and personal property." The revised law omits the reference to "purchase" because that term is included within the meaning of "acquire." The revised law also omits "convey" because that term is included within the meaning of "transfer."

Revised Law

Sec. 846.152. FILING OF ORGANIZATIONAL DOCUMENTS. A multiple employer welfare arrangement shall file with the commissioner its organizational documents and all appurtenant amendments before those documents take effect. (V.T.I.C. Art. 3.95-7, Subsec. (a).)

Source Law

Art. 3.95-7. (a) The articles or bylaws, or trust agreement, as applicable, of the multiple employer welfare arrangement and all appurtenant amendments shall be filed with the commissioner before becoming operative.

(A) not an employee of the arrangement; and

(B) a fellow of the Society of Actuaries, a member of the American Academy of Actuaries, or an enrolled actuary under the Employee Retirement Income Security Act of 1974 (29 U.S.C. Section 1001 et seq.); and

(b) A multiple employer welfare arrangement shall file the financial statement and the actuarial opinion required by Subsection (a) within 90 days of the end of the fiscal year.

(c) The actuarial opinion required under Subsection (a) must include:

(2) the amount of cash reserves recommended to be maintained by the arrangement; and

(3) the level of specific and aggregate stop-loss insurance recommended to be maintained by the arrangement.

Art. 3.95-8. (a) Each multiple employer welfare arrangement transacting business in this state shall file the following with the commissioner on forms approved by the commissioner:

(1) within 90 days of the end of

the fiscal year, financial statements audited by a certified public accountant;

(2) within 90 days of the end of the fiscal year, an actuarial opinion prepared and certified by an actuary who is not an employee of the multiple employer welfare arrangement and who is a fellow of the Society of Actuaries, a member of the American Academy of Actuaries, or an enrolled actuary under the Employee Retirement Income Security Act of 1974 (29 U.S.C. Section 1001 et seq.); and

(3) any modified terms of a plan document along with a certification from the trustees that any changes are in compliance with the minimum requirements of this subchapter. The actuarial opinion shall include:

(B) the recommended amount of cash reserves the multiple employer welfare arrangement should maintain . . . and

Revised Law

Sec. 846.154. CASH RESERVE REQUIREMENTS. (a) The amount of cash reserves recommended under Section 846.153(c)(2) may not be less than the greater of:

(1) computed with proper actuarial regard for:

(A) known claims, paid and outstanding;

(B) a history of incurred but not reported claims;

(D) unearned premium;

(E) an estimate for bad debts;

(F) a trend factor; and

(G) a margin for error; and

(2) maintained in cash or federally guaranteed obligations of less than five-year maturity that have a fixed or recoverable principal amount or in other investments as the commissioner may authorize by rule. (V.T.I.C. Art. 3.95-8, Subsecs. (a) (part), (b) (part).)

(b) . . . The cash reserves required by this article shall be maintained in cash or federally guaranteed obligations of less than five-year maturity that have a fixed or recoverable principal amount or such other investments as the commissioner or board may authorize by rule.

Revised Law

Sec. 846.155. ADJUSTMENT OF CONTRIBUTIONS. If the recommended cash reserves required by Section 846.154(a) exceed the greater of 40 percent of the total contributions for the preceding plan year or 40 percent of the total contributions expected for the current plan year, the contributions may be reduced to fund less than 100 percent of the aggregate retention plus all other costs of the multiple employer welfare arrangement, but not less than the level of contributions necessary to fund the minimum reserves required under Section

846.154(a). (V.T.I.C. Art. 3.95-2, Subsec. (d) (part).)

Source Law

(d) . . .

On the application of a multiple employer welfare arrangement, the commissioner may waive or reduce the requirement for aggregate stop-loss insurance coverage and the amount of recommended cash reserves required by Section 846.154(a) on a determination that the interests of the participating employers and employees are adequately protected. Source Law

(d) On application of a multiple employer welfare arrangement, the commissioner may waive or reduce the requirement for aggregate stop-loss coverage and the amount of reserves required by Subsection (a)(2)(B) of this article on a determination that the interests of the participating employers and employees are adequately protected.

Section 1001 et seq.).

Revisor's Note

Subsection (a)(1), V.T.I.C. Article 3.95-4, refers to "optical" care. The revised law substitutes the term "vision" for "optical" because that is the more commonly used term in this context.

Art. 3.95-4.8. (a) A preexisting condition provision in a multiple employer welfare arrangement's plan document may not apply to an expense incurred on or after the expiration of the 12 months following the initial effective date of coverage of the participating employee, dependent, or late-participating employee.

(b) A preexisting condition provision in a multiple employer welfare arrangement's plan document may not apply to coverage for a disease or condition other than a disease or condition for which medical advice, diagnosis, care, or treatment was recommended or received during the six months before the earlier of:

(1) the effective date of coverage; or

(2) the first day of the waiting period.

(e) A preexisting condition provision in a multiple employer welfare arrangement's plan document may not apply to an individual who was continuously covered for an aggregate period of 12 months under creditable coverage that was in effect up to a date not more than 63 days before the effective date of coverage under the health benefit plan, excluding any waiting period.

(f) In determining whether a preexisting condition provision applies to an individual covered by a multiple employer welfare arrangement's plan document, the

multiple employer welfare arrangement shall credit the time the individual was covered under previous creditable coverage if the previous coverage was in effect at any time during the 12 months preceding the effective date of coverage under the multiple employer welfare arrangement. If the previous coverage was issued under a health benefit plan, any waiting period shall also be credited to the preexisting condition provision period.

Revisor's Note

(1) Subdivision (3), V.T.I.C. Article 3.95-1, defines "creditable coverage" to mean coverage "described by Article 3.95-1.5 of this code." That definition of "creditable coverage" was adopted by Chapter 955, Acts of the 75th Legislature, Regular Session, 1997. A substantially identical definition appeared three times in Chapter 955, in sections amending Chapter 26, Insurance Code, adding Article 21.52G, Insurance Code, and adding Article 3.95-1.5, Insurance Code. The intent of the legislature in enacting Chapter 955 was to implement federal requirements on health insurance portability and availability; the use of the same definition in three different articles was to ensure compliance with the federal requirements.

(2) Subsection (f), V.T.I.C. Article 3.95-4.8, refers to "any waiting period . . . ." The revised law expands the reference to "any waiting period that applied before that coverage became effective" for clarity and to conform to other similar provisions in this code.

Revisor's Note

Subsection (h), V.T.I.C. Article 3.95-4.1, provides that a multiple employer welfare arrangement may establish a waiting period "during which a new employee is not eligible for coverage in accordance with the terms of the plan document." The revised law omits the quoted language as unnecessary because Subdivision (12), V.T.I.C. Article 3.95-1, revised as Section 846.001(9), defines "waiting period" as a "period established by a multiple employer welfare arrangement that must pass before an individual who is a potential participating employee in a health benefit plan is eligible to be covered for benefits."

(c) An adopted child of a participating employee may be enrolled, at the employee's option, not later than the 31st day after:

(1) the date the employee becomes a party to a suit in which the employee seeks to adopt the child; or

Revisor's Note

The definitions of "general casualty company" and "incorporators" are derived from V.T.I.C. Articles 8.02, 8.05, and 8.06. Portions of those articles have been revised as definitions for drafting convenience and to eliminate frequent, unnecessary repetition of the substance of the definitions.

Revisor's Note

(End of Subchapter)

V.T.I.C. Article 8.05 provides that only companies organized and doing business under the provisions of this chapter are subject to the provisions of V.T.I.C. Chapter 8, revised as this chapter. The revised law omits this provision as unnecessary. The revised chapter is drafted in such a manner that the chapter applies only to a general casualty company, which is defined by Section 861.001 as a company "organized or engaging in the

business of insurance under this chapter." An additional statement relating to the applicability of the chapter is unnecessary. The omitted law reads:

Art. 8.02. [Such persons shall associate themselves together by written articles of incorporation for the purpose of forming an accident or casualty insurance company,] which articles shall specify the general object of the company, and the proposed duration of the same.

Art. 8.03. When such articles of incorporation are filed with the Board of Insurance Commissioners, together with an affidavit made by two or more of its incorporators, that all the stock has been subscribed in good faith and fully paid for, together with a charter fee of Twenty-five ($25.00) Dollars, the Board shall record the same in a book kept for that purpose, and upon receipt of a fee of One ($1.00) Dollar it shall furnish a certified copy of the same to the corporators, upon which they shall be a body politic and corporate, and may proceed to complete the organization of the company, ...

Revisor's Note

(1) V.T.I.C. Article 8.03 refers to the "Board of Insurance Commissioners." Under Chapter 499, Acts of the 55th Legislature, Regular Session, 1957, administration of the insurance laws of this state was reorganized and the powers and duties of the Board of Insurance Commissioners were transferred to the State Board of Insurance. Chapter 685, Acts of the 73rd Legislature, Regular Session, 1993, abolished the State Board of Insurance and transferred its functions to the commissioner of insurance and the Texas Department of Insurance. Chapter 31 of this code defines "commissioner" and "department" for purposes of this code and the other insurance laws of this state to mean the commissioner of insurance and the Texas

Department of Insurance, respectively. Throughout this chapter, references to the Board of Insurance Commissioners or the State Board of Insurance have been changed appropriately.

(2) V.T.I.C. Article 8.03 refers to a "charter fee of Twenty-five ($25.00) Dollars" and a "fee of One ($1.00) Dollar" for a certified copy of a general casualty company's articles of incorporation. Those specific dollar amounts were impliedly repealed by the amendment of V.T.I.C. Article 4.07 by Chapter 249, Acts of the 70th Legislature, Regular Session, 1987. Article 4.07 is a comprehensive fee provision that authorizes the Texas Department of Insurance to set the amounts of certain fees, including the types of fees referred to in Article 8.03. Chapter 249 expanded the applicability of Article 4.07 to expressly apply to all stock insurance companies, including a general casualty company. Accordingly, the revised law substitutes for the dollar amounts specified by Article 8.03 a general reference to the amounts determined under V.T.I.C. Article 4.07.

Revised Law

Sec. 861.053. PRELIMINARY OFFICERS AND DIRECTORS. The incorporators shall choose from among themselves a president, a secretary, a treasurer, and at least three directors who continue in office until:

(1) the first anniversary of the date the articles of incorporation are filed; and

(2) their successors are chosen and qualify. (V.T.I.C. Art. 8.04 (part).)

Source Law

Art. 8.04. The subscribers to said articles of incorporation shall choose from their number a president, a secretary, a treasurer and such number of directors not less than three who shall continue in office for the period of one year from the date of filing articles of incorporation, and until their successors shall be duly chosen and qualified. . . .

Revised Law

Sec. 861.054. SUBSCRIPTION OF STOCK. The incorporators shall:

(1) open books for the subscription of stock in the general casualty company at the times and places the incorporators consider convenient and proper; and

(2) keep the books open until the full amount specified in the articles of incorporation is subscribed. (V.T.I.C. Art. 8.04 (part).)

Source Law

Art. 8.04. . . . They shall open books for the subscriptions of stock in the company at such times and places as they shall deem convenient and proper, and shall keep them open until the full amount specified in the certificate is subscribed.

Revisor's Note

V.T.I.C. Article 8.04 refers to the amount of stock specified in the "certificate." The revised law substitutes "articles of incorporation" for "certificate" for clarity and consistency with other provisions in this code.

Revised Law

Sec. 861.055. ORGANIZATIONAL MEETING. (a) After receiving a certified copy of the articles of incorporation under Section 861.052, a general casualty company shall promptly call a meeting of the company's shareholders.

(b) At the meeting the shareholders shall:

(1) adopt bylaws to govern the company; and

(2) elect a board of directors composed of shareholders of the company. (V.T.I.C. Art. 8.03 (part).)

Source Law

Art. 8.03. . . . [upon which they shall be a body politic and corporate, and may proceed to complete the organization of the company,] for which purpose they shall forthwith call a meeting of the stockholders who shall adopt by-laws for the government of the company and elect a board of directors composed of stockholders, ...

SUBCHAPTER C. AUTHORITY TO ENGAGE IN BUSINESS

Revised Law

Sec. 861.101. CERTIFICATE OF AUTHORITY REQUIRED. A general casualty company may not engage in the business of insurance in this state without a certificate of authority issued under this chapter. (V.T.I.C. Art. 8.16 (part).)

Source Law

> Art. 8.16. Any such company organized or doing business under this code without a certificate as provided for in this chapter [shall forfeit One Hundred ($100.00) Dollars for every day it continues to write new business in this State without such certificate.]

Revised Law

Sec. 861.102. ISSUANCE OF CERTIFICATE OF AUTHORITY. (a) The department shall issue a certificate of authority to a general casualty company authorizing the company to engage in the business of insurance under this chapter if:

(1) the company meets the requirements of this chapter; and

(2) the commissioner has granted a charter to the company in the manner provided by Sections 822.051, 822.052, 822.053, 822.054, 822.057, 822.058, 822.059, 822.060, and 822.210.

(b) A certificate of authority is evidence of a general casualty company's authorization to engage in the business of insurance under this chapter and of the company's solvency and credits. (V.T.I.C. Arts. 8.05 (part), 8.20.)

Source Law

> Art. 8.05. . . . Upon the granting of the charter to said corporation in the mode and manner provided in Article 2.01 and Article 2.02 of this Code, and [upon the deposit of the sum of $50,000.00 of securities of the kind described in Article 2.10 of this Code or in cash with the comptroller,] the Board shall issue to said company a certificate authorizing it to do business.
>
> . . .
>
> Art. 8.20. The Board upon due proof by a company organized under the provisions of

this law, of its possessing the qualifications required, shall issue a certificate setting forth that it has qualified and is authorized for the ensuing year to do business under the law, which certificate or a copy thereof shall be evidence of such qualifications and of such company's authority to transact business authorized by this chapter, and of its solvency and credits.

Revisor's Note

V.T.I.C. Article 8.20 refers to a certificate of authority that authorizes a general casualty company to do business "for the ensuing year." The revised law omits the quoted language as repealed. Section 1, Chapter 194, Acts of the 56th Legislature, Regular Session, 1959, amended Section 1, V.T.I.C. Article 1.14, to require the State Board of Insurance to issue a certificate of authority to transact insurance business to any insurer that fully complies with applicable law. Under Article 1.14, revised in relevant part as Section 801.053, a certificate of authority is valid until it is suspended or revoked. Section 2, Chapter 194, repealed "[a]ll laws and parts of laws in conflict herewith . . . , including [Article] 8.20 . . . to the extent that they require periodic renewal of certificates of authority."

SUBCHAPTER D. POWERS AND DUTIES OF GENERAL CASUALTY COMPANY

Revised Law

Sec. 861.151. AUTHORITY OF BOARD OF DIRECTORS. Subject to the bylaws of the company as adopted or amended by the shareholders or directors, the board of directors of a general casualty company has full control and management of the company. (V.T.I.C. Art. 8.03 (part).)

Source Law

Art. 8.03. . . . which board shall have full control and management of the affairs of the corporation, subject to the by-laws thereof as adopted or amended from time to time by the stockholders or directors, and to

the laws of this State.

Revisor's Note

V.T.I.C. Article 8.03 provides that the board of directors of a general casualty company has full control and management of the company, subject to "the laws of this State." The revised law omits the quoted language as unnecessary because the provisions of state law require compliance without an express statement to that effect.

Revised Law

Sec. 861.152. GENERAL POWERS OF COMPANY. A general casualty company may:

(1) sue or be sued in the name of the company;

(2) make or enforce contracts in relation to the business of the company;

(3) have and use a common seal;

(4) in its own name, or through a trustee chosen by the board of directors, acquire, purchase, hold, and dispose of real and personal property to further the purposes of the company; and

(5) through its board of directors, trustees, or managers, adopt and amend bylaws that include provisions establishing the qualifications, duties, and terms of office of and the manner of electing directors, trustees, or managers and officers of the company. (V.T.I.C. Art. 8.06.)

Source Law

Art. 8.06. A corporation organized or doing business under the provisions of this law shall, by the name adopted by such corporation, in law, be capable of suing or being sued, and may make or enforce contracts in relation to the business of such corporation; may have and use a common seal, and in the name of the corporation or by a trustee chosen by the board of directors, shall, in law, be capable of taking, purchasing, holding and disposing of real and personal property for carrying into effect the purposes of their organization; and may by their board of directors, trustees, or managers, make by-laws and amendments thereto not inconsistent with the laws or the Constitution of this State or of the United States, which by-laws shall define the manner of electing directors, trustees or managers

and officers of such corporation, together with the qualifications and duties of the same and fixing the term of office.

Revisor's Note

V.T.I.C. Article 8.06 authorizes a general casualty company to make bylaws and amendments "not inconsistent with the laws or the Constitution of this State or of the United States." The revised law omits the quoted language as unnecessary because the provisions of the laws and constitutions of this state and the United States require compliance without an express statement to that effect.

Revised Law

Sec. 861.153. AUTHORIZED SHARES. (a) A general casualty company may increase or decrease its capital stock after:

(1) the intent to increase the stock is ratified by a two-thirds vote of the shareholders or the intent to decrease the stock is ratified by a majority vote of the shareholders; and

(2) notice of the intent to increase or decrease the stock is published in a newspaper of general circulation for five consecutive days.

(b) An increase in capital stock must be equal to an amount of at least $50,000. (V.T.I.C. Arts. 8.13; 8.23.)

Source Law

Art. 8.13. Any such company may increase its capital stock at any time after the intention to so increase the capital stock shall have been ratified by a two-thirds vote of the stockholders, and after notice of the purpose to so increase the capital stock has been given by publication in some newspaper of general circulation for five consecutive days. No increase of capital stock in less amount than Fifty Thousand ($50,000.00) Dollars is hereby authorized.

Art. 8.23. Any such company may decrease its capital stock at any time after the intention to so decrease the capital stock shall have been ratified by a majority vote of the stockholders, and after notice of such purpose has been published in some newspaper of general circulation for a period of five consecutive days.

> Art. 8.14. The directors of any such company shall not make any dividends except in compliance with Article 21.31 of this Code.

Revised Law

Sec. 861.155. INTERFERENCE WITH CONDUCT OF BUSINESS PROHIBITED; EXCEPTIONS. A person, including the department and the commissioner, may not restrain or interfere with the conduct of business of a general casualty company, except in:

(1) a revocation of the company's certificate of authority and appointment of a receiver under Section 861.701;

(2) an action by a judgment creditor; or

(3) a proceeding supplementary to execution. (V.T.I.C. Art. 8.11 (part).)

Source Law

> Art. 8.11. . . . [Board shall revoke its certificate of authority . . . and shall refer the facts to the Attorney General, who shall proceed to ask the proper court to appoint a receiver] . . . . (c) A general casualty company may not loan any part of the company's capital or paid in surplus to an officer of the company. (V.T.I.C. Art. 8.05 (part).)

(1) cash; or

(2) securities of the kind described by Article 2.10.

The comptroller shall receive and hold the deposit exclusively for the protection of policyholders of the company.

(c) A general casualty company may withdraw a deposit made under Subsection (b) if the company files with the department satisfactory evidence, as determined by the commissioner, that the company:

(1) has withdrawn from business in the other state, country, or province; and

(2) has no unsecured liabilities outstanding in the other state, country, or province.

(d) A general casualty company may change the company's securities on deposit with the comptroller by withdrawing those securities and substituting an equal amount of other securities authorized by Subsection (a). (V.T.I.C. Arts. 8.05 (part), 8.12.)

Source Law

Art. 8.05. . . . [Upon the granting of the charter to said corporation in the mode and manner provided in Article 2.01 and Article 2.02 of this Code,] and upon the deposit of the sum of $50,000.00 of securities of the kind described in Article 2.10 of this Code or in cash with the comptroller, [the Board shall issue to said company a certificate authorizing it to do

. . .

In the event any such company shall be required by the law of any other State, country or province as a requirement prior to doing an insurance business therein to deposit with the duly appointed officer of such other State, country or province, or with the comptroller, any securities or cash in excess of the said deposit of $50,000.00 hereinbefore mentioned, such company, at its discretion, may deposit with the comptroller securities of the character authorized by law, or cash sufficient to enable it to meet such requirements. The comptroller is hereby authorized and directed to receive such deposit and to hold it exclusively for the protection of policyholders of the company. Any deposit so made to meet the requirements of any other State, country or province shall not be withdrawn by the company except upon filing with the Board evidence satisfactory to it that the company has withdrawn from business, and has no unsecured liabilities outstanding in any such other State, country or province by which such additional deposit was required, and upon the filing of such evidence the company may withdraw such additional deposit at any time.

Art. 8.12. Such companies shall have the right at any time to change their securities on deposit with the comptroller by substituting for those withdrawn a like amount in other securities of the character provided for in this law.

Revised Law

Sec. 861.253. INTEREST ON SECURITY DEPOSITS. (1) the company fails to deposit additional security as required by the commissioner; or

(2) proceedings are pending to wind up or enjoin the company. (V.T.I.C. Art. 8.15.)

Source Law

> Art. 8.15. Source Law

Art. 8.07. The president, vice president

and secretary or a majority of directors or trustees of any such company shall annually, on the first day of January or within sixty (60) days thereafter, prepare and deposit in the office of the Board a verified statement of the condition of such company on the 31st day of December of the preceding year, showing:

1. Name and where located, (a) names of officers, (b) the amount of capital stock, (c) the amount of capital stock paid in.

2. Assets, (a) the value of real estate owned by said company, (b) the amount of cash on hand, (c) the amount of cash deposited in bank or trust company, (d) the amount of bonds of the United States, and all other bonds, giving names and amounts with par and market values of each kind, (e) the amount of loans secured by first mortgage on real estate, (f) the amount of all other bonds, loans and how secured, with rate of interest, (g) the amount of notes given for unpaid stock and how secured, (h) the amount of interest due and unpaid, (i) the value of all electronic machines, constituting a data processing system or systems, and all other office equipment, furniture, machines and labor-saving devices heretofore or hereafter purchased for and used in connection with the business of an insurance company to the extent that the total actual cash market value of all of such systems, equipment, furniture, machines and devices constitute less than five per cent (5%) of the otherwise admitted assets of such company; and provided further, that the total value of all such property of a company must exceed Two Thousand Dollars ($2,000), to qualify hereunder, (j) all other credits or assets. . . .

6. Miscellaneous, (a) the amount paid in fees during the year, (b) the amount paid for losses during the year, (c) the whole amount of insurance issued and in force on the 31st day of December of the previous year.

Art. 8.08. The Board is authorized to amend the form of statement and to exact such additional information as it may think necessary in order that a full exhibit of the standing of such companies may be shown.

Art. 8.21. The department shall charge for filing the annual statement required by this chapter, a fee of Twenty ($20.00) Dollars. The comptroller shall collect the fee.

Revisor's Note

(1) Paragraph 6, V.T.I.C. Article 8.07, refers to insurance issued and in force "on the 31st day of December of the previous year." The revised law omits the quoted language as unnecessary because the introductory language to Article 8.07 provides that the annual statement required by that article must contain information regarding the condition of the company "on the 31st day of December of the preceding year."

(2) V.T.I.C. Article 8.21 refers to a "fee of Twenty ($20.00) Dollars" for filing an annual statement of a general casualty company. As explained in Revisor's Note (2) to Section 861.052, V.T.I.C. Article 4.07 applies to a general casualty company. Under Article 4.07, a general casualty company that writes certain classes of insurance is

required to pay an annual statement filing fee in an amount that could exceed the amount specified by Article 8.21. Therefore, the revised law adds language clarifying that the filing fee amount specified by Article 8.21 is subject to any different amount authorized by Article 4.07.

Revised Law

Sec. 861.255. RULES REGARDING CERTAIN ASSETS. (a) The value of the electronic machines and systems, office equipment, furniture, other machines, and labor-saving devices specified in Section 861.254(c)(9), as determined under this section and in accordance with rules adopted by the commissioner, is an admitted asset of the company.

(b) The commissioner may adopt rules defining electronic machines and systems, office equipment, furniture, other machines, and labor-saving devices as specified in Section 861.254(c)(9) and stating the maximum period for which each class of equipment may be amortized. (V.T.I.C. Art. 8.07 (part).)

Source Law

[Art. 8.07]

2. . . . The Commissioner of Insurance may adopt regulations defining electronic machines and systems, office equipment, furniture, machines and labor-saving devices as used in (i) above, and provide for the maximum period for which each such class of equipment may be amortized; the value of all such property as determined hereunder and under the regulations herein provided for shall be deemed to be an admitted asset for all purposes. . . .

Revisor's Note

Paragraph 2, V.T.I.C. Article 8.07, refers to the authority of the commissioner of insurance to adopt "regulations" defining certain equipment. The revised law substitutes "rules" for "regulations" because, in this context, the terms are synonymous and because under Section 311.005, Government Code (Code Construction Act), a rule is defined to include a regulation. That definition applies to the revised law.

Revised Law

Sec. 861.256. FAILURE TO MAKE DEPOSIT OR DELIVER ANNUAL STATEMENT. (b) A general casualty company may not issue an insurance policy in violation of this section. (V.T.I.C. Art. 8.09.)

Source Law

> Art. 8.09. Upon the failure of any company to make such deposit or to file the statement in time, the Board shall notify such company to issue no new insurance until the law is complied with, and it shall be unlawful for any such company to thereafter issue any policy of insurance until such requirements shall be complied with.

(b) A general casualty company shall sell real property acquired in compliance with Subsection (a) not later than the 10th anniversary of the date the real property was acquired.

(c) A general casualty company may retain real property after the date specified by Subsection (b) if the commissioner issues a certificate stating:

(1) that sale of the real property in compliance with Subsection (b) would cause the company to incur a material loss; and

(2) a later date by which the real property must be sold.

(d) Subsection (b) does not apply to:

(1) real property occupied by buildings used in whole or in part by a general casualty company in the transaction of business;

(2) an interest in minerals or royalty reserved on the sale of real property acquired under Sections 862.002(c)(1)-(3); and

Art. 8.19. All real estate so acquired, except as is occupied by buildings used in whole or in part for the accommodation of such companies in the transaction of their business, interests in minerals and royalty reserved upon the sale of land acquired under Subdivisions 2, 3, and 4 of Article 6.08 of this Code, and the other investment real estate acquired under Paragraph 8 of Article 2.10 of this Code, shall, except as hereinafter provided, be sold and disposed of within ten (10) years after such company shall have acquired title to the same. No such company shall have such real estate for a longer period than that above mentioned, unless the said company shall procure a certificate from the Board that the interests of the company will suffer materially by a forced sale of such real estate, in which event the time for the sale may be extended to such time as the Board shall direct in said certificate.

SUBCHAPTER O. DISCIPLINARY PROCEDURES AND PENALTY

Revised Law

Sec. 861.701. REVOCATION OF CERTIFICATE. (a) If, as a result of an examination under Section 861.257, the commissioner determines that a general casualty company has not complied with this chapter, the commissioner shall:

(1) revoke the company's certificate of authority; and

(2) notify the attorney general of the revocation.

(b) On receipt of notification under Subsection (a)(2), the attorney general shall request court appointment of a receiver for the general casualty company. Under the direction of the court, the receiver shall wind up the affairs of the company. (V.T.I.C. Art. 8.11 (part).)

Source Law

> Art. 8.11. If the Board shall at any time from the report of examination determine that such company has not complied with any provision of this law, said Board shall revoke its certificate of authority to do business in this State, and shall refer the facts to the Attorney General, who shall proceed to ask the proper court to appoint a receiver for said company, who shall, under the direction of the court, wind up the affairs of said company. . . .

Revised Law

Sec. 861.702. PENALTY. A general casualty company that violates Section 861.101 is subject to a penalty of $100 for each day the company writes new business in this state without the certificate of authority required by that section. (V.T.I.C. Art. 8.16 (part).)

Source Law

> Art. 8.16. [Any such company organized or doing business under this code without a certificate as provided for in this chapter] shall forfeit One Hundred ($100.00) Dollars for every day it continues to write new business in this State without such certificate.

Revised Law

Sec. 861.703. COLLECTION OF PENALTY. (a) The attorney general or a district or county attorney under the direction of the attorney general may file an action in the name of the state to collect a penalty under this chapter.

(b) An action filed under this section must be filed in Travis County or in the county in which the general casualty company's principal office is located. (V.T.I.C. Art. 8.17 (part).)

Source Law

Art. 8.17. Suits to recover any penalty provided for in this chapter shall be instituted in the name of the State of Texas, by the Attorney General or by a district or county attorney under his direction, either in the county where the principal office is situated, or in Travis County, Texas. . . .

Revisor's Note

V.T.I.C. Article 8.17 provides that a penalty recovered under V.T.I.C. Chapter 8, revised as this chapter, "shall be paid into the State Treasury for the use of the school fund." The revised law omits the portion of this provision that dedicates revenue for the use of the school fund because former Section 403.094(h), Government Code, enacted by Chapter 4, Acts of the 72nd Legislature, 1st Called Session, 1991, abolished all statutory dedications of revenue in existence on August 31, 1995, subject to certain exceptions that are not applicable. The revised law omits the portion of the provision that requires the revenue to be paid into the state treasury because Section 404.094, Government Code (State Funds Reform Act), requires all money collected or received by a state agency to be deposited in the treasury. The omitted law reads:

Art. 8.17. . . . Such penalties, when recovered, shall be paid into the State Treasury for the use of the school fund.

Revisor's Note

(1) V.T.I.C. Articles 6.11 and 6.12 refer to an "inland insurance company" and to "inland transportation premiums." The revised law substitutes "inland marine insurance company" and "inland marine transportation premiums" because "inland marine insurance" is the phrase more commonly used in the insurance industry. Similar changes are made throughout this chapter.

(2) V.T.I.C. Article 6.11 refers to "the Board," meaning the Board of Insurance Commissioners. Under Chapter 499, Acts of the 55th Legislature, Regular Session, 1957,

administration of the insurance laws of this state was reorganized and the powers and duties of the Board of Insurance Commissioners were transferred to the State Board of Insurance. Chapter 685, Acts of the 73rd Legislature, Regular Session, 1993, abolished the State Board of Insurance and transferred its functions to the commissioner of insurance and the Texas Department of Insurance. Chapter 31 of this code defines "commissioner" and "department" for purposes of this code and the other insurance laws of this state to mean the commissioner of insurance and the Texas Department of Insurance, respectively. Throughout this chapter, references to the Board of Insurance Commissioners and the State Board of Insurance have been changed appropriately.

(3) V.T.I.C. Article 6.12 refers to "clerks, and other employees." The reference to "clerks" is omitted from the revised law because "clerks" is included in the meaning of "employees."

(4) V.T.I.C. Article 6.12 refers to "all other expenses, such as fees, printing, stationery, rents, furniture, etc." The phrase "such as fees, printing, stationery, rents, furniture, etc." is omitted from the revised law as included in the meaning of "all other expenses."

Revised Law

Sec. 862.002. PROHIBITIONS RELATING TO HOLDING REAL PROPERTY; EXCEPTIONS. (a) A fire, marine, or inland marine insurance company may not purchase, hold, or convey real property, except as provided by Subsections (b) and (c).

(b) The company may erect and maintain buildings ample and adequate for the transaction of the company's business.

(c) Subsection (a) does not apply to:

(1) real property mortgaged to the company in good faith as security for a loan previously contracted or for money due;

(2) real property conveyed to the company in satisfaction of a debt previously contracted in the legitimate business of the company or for money due;

(3) real property purchased under a judgment, decree, or mortgage obtained or made for a debt under Subdivision (2); or

(4) a mineral or royalty interest reserved on the sale of real property acquired under Subdivision (1), (2), or (3)

before January 1, 1942.

(d) A fire, marine, or inland marine insurance company may not invest more than 33-1/3 percent of the company's admitted assets in real property. A fire, marine, or inland marine insurance company may not invest any of its capital or minimum surplus in real property, other than real property described by Subsection (c).

(e) Section 861.258 applies to real property acquired under Subsection (c)(1), (2), or (3).

(f) The commissioner shall appoint at least two competent and disinterested residents of this state to appraise real property described by Subsection (b) when the property is acquired or when the company applies for amendment to its charter. The company shall pay to the commissioner the reasonable cost of the appraisal. (V.T.I.C. Art. 6.08.)

> Art. 6.08. No such company shall be permitted to purchase, hold or convey real estate, except for the purpose and in the manner herein set forth:
>
> 1. For the erection and maintenance of buildings at least ample and adequate for the transaction of its own business;
>
> 2. Such as shall have been mortgaged to it in good faith by way of security of loans previously contracted or for money due;

>
> All real estate acquired under authority of the above paragraphs of this Article numbered 2, 3, and 4, or either of them, shall be subject to the provisions of Article 8.19 of this Code.
>
> No more than thirty-three and one-third per cent (33 1/3) of its admitted assets shall be invested by such company in real

estate, and none of its capital and minimum surplus may be so invested, except to the extent that the foregoing limitation shall not apply to real estate held under authority of the above paragraphs of this Article numbered 2, 3, 4, and 5, or either of them.

The value of real estate mentioned in paragraph numbered 1 above shall be appraised by two (2) or more competent and disinterested citizens of Texas appointed by the Board of Insurance Commissioners of Texas, when such real estate is hereafter acquired or when amendment to charter is applied for, the reasonable cost and expense of such appraisal to be paid by the insurance company to the Board.

Revisor's Note

V.T.I.C. Article 6.08 refers to "citizens." The revised law substitutes "residents" for "citizens" because, in the context of this section, "citizens" and "residents" are synonymous and "residents" is more commonly used.

Sec. 862.003. ADMITTED ASSETS. The value of the property of the company shown on the report as determined under Section 862.001 and the rules adopted by the commissioner adopted under that section is considered to be an admitted asset of the company for all purposes. (V.T.I.C. Art. 6.12 (part).)

(b) An insurance company authorized to write life insurance in this state may not write fire, marine, or inland marine insurance or any other insurance described by Section 862.051.

liquidated demand against the company for the full amount of such policy. The provisions of this article shall not apply to personal property.

On and after January 1, 1951, the provisions of the preceding paragraph of this article shall be incorporated verbatim in each and every fire insurance policy hereafter issued as coverage on any real property in this State; and it shall be the duty of the Board of Insurance Commissioners, by proper order and procedure, to compel compliance with this statute.

Revisor's Note

V.T.I.C. Article 6.13 refers to fire insurance policies issued on or after "January 1, 1951." Any fire insurance policy issued before that date would no longer be in force. Accordingly, the revised law omits the reference to the date as executed.

Revised Law

Sec. 862.054. FIRE INSURANCE: BREACH BY INSURED; PERSONAL PROPERTY COVERAGE. Unless the breach or violation contributed to cause the destruction of the property, a breach or violation by the insured of a warranty, condition, or provision of a fire insurance policy or contract of insurance on personal property, or of an application for the policy or contract:

(1) does not render the policy or contract void; and

(2) is not a defense to a suit for loss. (V.T.I.C. Art. 6.14.)

(b) An insurance or reinsurance company that is authorized to write or reinsure fire and allied lines of insurance in this state may reinsure all or any part of a single risk in one or more other solvent insurers.

(c) An insurance company that is incorporated under the laws of the United States or a state of the United States and authorized to write fire and allied lines of insurance in this state may not, unless the excess is reinsured by the company in another solvent insurer, expose itself to any loss or hazard on a single risk in an amount that exceeds 10 percent of the company's paid-up capital stock and surplus.

(d) An insurance company that is incorporated under the laws of a jurisdiction other than the United States or a state of the United States and authorized to write fire and allied lines of insurance in this state may not, unless the excess is reinsured by the company in another solvent insurer, expose itself to any loss or hazard on a single risk in an amount that exceeds the sum of:

(f) Reinsurance that is required or permitted by this section must comply with Articles 5.75-1 and 21.72. (V.T.I.C. Art. 6.16.)

Source Law

Art. 6.16

1. No insurance company incorporated under the laws of the United States or of any State thereof and authorized to do business in this State in the writing of fire and allied lines of insurance as those terms may be defined by statue, by ruling of the State Board of Insurance, hereinafter called the "Board," or by lawful custom, shall expose itself to any loss or hazard on any one (1) risk, except when insuring cotton in bales, and grain, to an amount exceeding ten (10%) per cent of its paid-up capital stock and surplus, unless the excess shall be reinsured by such company in another solvent insurer. Similarly, no insurance company incorporated under a jurisdiction other than that of the United States or a state thereof and authorized to do business in this State in the writing of said lines of insurance shall expose itself to any loss or hazard on any one (1) risk, except when insuring cotton in bales, and grain, to an amount exceeding ten (10%) per cent of the company's deposit with the statutory officer in the state through which the company gains admission to the United States, together with ten (10%) per cent of the other surplus to policyholders of the company's United States Branch, unless the excess shall be reinsured by such company in another solvent insurer.

2. Any insurance or reinsurance company authorized to transact insurance or reinsurance within this State as to lines of insurance defined in Section 1 hereof, may reinsure the whole or any part of an individual risk in another solvent insurer.

3. Any reinsurance required or permitted by this article must comply with

Article 5.75-1 or Article 5.75-2 of this code.

Revisor's Note

(1) Section 1, V.T.I.C. Article 6.16, refers to the "surplus to policyholders." The term most commonly used in the insurance industry to refer to that type of surplus is "policyholders' surplus." The revised law substitutes "policyholders' surplus" for "surplus to policyholders."

(2) V.T.I.C. Article 6.16 states that certain reinsurance must comply with V.T.I.C. Article 5.75-1 or 5.75-2. Article 5.75-2 was repealed by Chapter 1082, Acts of the 71st Legislature, Regular Session, 1989. The revised law is drafted accordingly. For the convenience of the reader, the revised law also adds a reference to V.T.I.C. Article 21.72, enacted in 1995, which also governs the reinsurance subject to this section.

Revised Law

Sec. 862.102. REINSURANCE OR RESERVES REQUIRED FOR FIRE INSURANCE. (a) An insurance company writing fire insurance in this state shall maintain reinsurance or unearned premium reserves on its policies in force.

(b) The commissioner may require that reserves required by Subsection (a) equal the unearned portions of the gross premiums in force after deducting reinsurance under Section 862.101, as computed on each respective risk from the policy's date of issue.

(c) If the commissioner does not impose a requirement under Subsection (b), the portions of the gross premium in force held as reinsurance or unearned premium reserves after deducting reinsurance under Section 862.101 shall be computed as follows:

Term for Which Policy Was Written	Reserve for Unearned Premium
1 year or less	1/2
2 years	1st year 3/4
	2nd year 1/4
3 years	1st year 5/6
	2nd year 1/2

	2nd year 7/10
	3rd year 1/2
	4th year 3/10
	5th year 1/10
More than 5 years	
	pro rata

(d) Notwithstanding Subsection (c), an insurance company may compute, or the commissioner may require an insurance company to compute, the reserves on a quarterly, monthly, or more frequent pro rata basis.

(e) An insurance company that adopts a method for computing the reserve may not adopt another method without commissioner approval. (V.T.I.C. Art. 6.01.)

Source Law

Art. 6.01. (1) Every company doing fire insurance business in this state shall maintain a re-insurance or unearned premium reserve on all policies in force.

(2) The Board may require that such reserves shall be equal to the unearned portions of the gross premiums in force after deducting re-insurance in accordance with the provisions of Article 6.16 of the Texas Insurance Code as computed on each respective risk from the policy's date of issue. If the Board does not so require, the portions of the gross premium in force, less re-insurance in accordance with the provisions of Article 6.16 of the Texas Insurance Code, to be held as a re-insurance or unearned premium reserve, shall be computed according to the following table:

Term for Which Policy Was Written	Reserve for Unearned Premium
1 year or less	1/2
2 years	1st year 3/4
	2nd year 1/4
3 years	1st year 5/6
	2nd year 1/2

	2nd year	7/10
	3rd year	1/2
	4th year	3/10
	5th year	1/10
Over 5 years		pro-rata

(3) In lieu of computation according to the foregoing table, the Board may require or the insurer at its option may compute all of such reserves on a quarterly, monthly or more frequent pro-rata basis.

(4) After adopting a method for computing such reserve, an insurer shall not change methods without approval of the Board.

Revised Law

Sec. 862.103. REINSURANCE OR RESERVES REQUIRED FOR HOME WARRANTY INSURANCE COMPANIES. (a) An insurance company writing home warranty insurance in this state shall maintain reinsurance or unearned premium reserves on its policies in force.

(b) Reserves required by Subsection (a) shall be computed in the same manner and to the same extent as is fire insurance under Section 862.102. (V.T.I.C. Art. 6.01-A.)

Source Law

Art. 6.01-A

Sec. 1. Every company writing home warranty insurance in Texas shall maintain reinsurance or unearned premium reserves on all policies in force.

Sec. 2. The reserves on home warranty insurance shall be computed in the same manner and to the same extent as fire insurance is reserved in accordance with Article 6.01 of this Code.

Revised Law

Sec. 862.104. RESERVES REQUIRED FOR OCEAN AND INLAND MARINE TRIP INSURANCE COMPANIES. The total of the premiums on ocean and inland marine trip insurance risks not terminated is considered to be unearned, and the insurance company shall maintain a reserve equal to the total of the premiums for those policies. (V.T.I.C. Art. 6.02.)

Source Law

Art. 6.02. The entire amount of premiums

on ocean and inland marine trip risks not terminated shall be deemed unearned, and the insurer shall carry a reserve equal to one hundred percent of such premiums.

SUBCHAPTER D. IMPAIRMENT OF SURPLUS

Revised Law

Sec. 862.151. REDUCTION OF CAPITAL STOCK AND PAR VALUE OF SHARES. (a) If the minimum surplus of a fire, marine, or inland marine insurance company is impaired in excess of the amount permitted under Section 5, Article 1.10, the commissioner may allow the company to amend its charter as provided by Sections 822.157 and 822.158 to reduce the amount of the company's capital stock and the par value of its shares in proportion to the extent of the permitted amount of impairment.

(b) A company acting under Subsection (a):

(1) may not reduce the par value of its shares below the sum computed under Section 822.055;

(2) may not deduct from the assets and property on hand more than $125,000;

(3) shall retain the remainder of the assets and property on hand as surplus assets;

(4) may not distribute any of the assets or property to the shareholders; and

(5) may not reduce the capital stock or surplus of the company to an amount less than the minimum capital and the minimum surplus required by Sections 822.202, 822.210, and 822.211, subject to Section 5, Article 1.10. (V.T.I.C. Art. 6.04.)

Source Law

Art. 6.04. Whenever the minimum surplus of any fire, fire and marine, or marine insurance company of this State becomes impaired to a greater extent than that provided by Section 5 of Article 1.10, the Board may, in its discretion, permit the said company by amendment to charter as provided by Article 2.03, to reduce its capital stock and par value of its shares in proportion to the extent of permitted impairment; provided that the par value of said shares shall not be reduced below the sum provided by Section 1 of Article 2.07. In fixing such reduced capital, no sum exceeding $125,000.00 shall be deducted from the assets and property on

hand, which shall be retained as surplus assets. No part of such assets and property shall be distributed to the stockholders, nor shall the capital stock of a company or its surplus in any case be reduced to an amount less than the minimum capital and the minimum surplus provided by Article 2.02 of this Code, subject to the provisions of Section 5 of Article 1.10 of this Code.

Revisor's Note

V.T.I.C. Article 6.04 uses the phrase "fire, fire and marine, or marine insurance company." The revised law substitutes "fire, marine, or inland marine insurance company" because, in this context, the phrases are synonymous and "fire, marine, or inland marine insurance company" is the phrase used throughout this chapter.

Revised Law

Sec. 862.152. MAKING GOOD ON IMPAIRMENT. (a) This section applies to a fire, marine, or inland marine insurance company that receives notice from the commissioner under Section 5, Article 1.10, to make good within 60 days:

(1) any impairment of the company's required capital; or

(2) the company's surplus.

(b) The company shall promptly call on its shareholders for an amount necessary to make the company's capital and surplus equal to the amount required by Sections 822.054 and 822.210, subject to Section 5, Article 1.10.

(c) The shareholders of the company shall be informed of a call under Subsection (b):

(1) by personal notice; or

(2) by advertisement for the time and in the manner approved by the commissioner. (V.T.I.C. Arts. 6.05, 6.06 (part).)

Source Law

Art. 6.05. Any fire, marine or inland insurance company having received notice from the Board to make good any impairment of its required capital or to make good its surplus within 60 days as provided by Section 5 of Article 1.10 shall forthwith call upon its stockholders for such amounts as shall make its capital and its surplus equal to the amount required by Article 2.02, subject to

the provisions of said Section 5 of Article 1.10 of this Code.

Art. 6.06. . . . after notice personally given, or by advertisement for such time and in such manner as said Board shall approve . . . .

Revised Law

Sec. 862.153. FAILURE OF SHAREHOLDER TO PAY. (a) If a shareholder of the insurance company who is given notice under Section 862.152 does not pay the amount called for by the company under that section, the company may:

(1) require the return of the original certificate of stock held by the shareholder; and

(2) issue a new certificate for a number of shares that the shareholder may be entitled to in the proportion that the value of the funds of the company, computed without inclusion of any money or other property paid by shareholders in response to the notice under Section 862.152, bears to the total amount of the original capital and the minimum surplus of the company required by Section 822.054 or 822.210, subject to Section 5, Article 1.10.

(b) The value of any shares for which new certificates are issued under Subsection (a)(2) shall be computed under the direction of the commissioner. The insurance company shall pay for the fractional parts of shares.

(c) Any interested person may pay all or any part of the amount of the deficit resulting from a shareholder default under Subsection (a). The company shall issue to each person who makes a payment a stock certificate that is representative of the number of shares to which the person is entitled. The certificate must be for the number of shares in proportion to the total number of forfeited shares that the payment made by the person bears to the deficit that resulted from the forfeited shares. (V.T.I.C. Art. 6.06 (part).)

Source Law

Art. 6.06. If any stockholder of such company shall neglect or fail to pay the amount so called for, after notice . . . it shall be lawful for said company to require the return of the original certificate of stock held by such stockholder, and in lieu thereof to issue a new certificate for such number of shares as such defaulting stockholder may be entitled to in the proportion that the ascertained value of the funds of said company, calculated without

inclusion of any money or property paid by stockholders in response to such call, may be found to bear to the total of the original capital and the minimum surplus of said company as required by Article 2.02; as qualified by the provisions of Section 5 of Article 1.10 of this Code, the value of such shares for which new certificates are issued shall be ascertained under the direction of said Board and the company shall pay for the fractional parts of shares.

Any interested person may pay part or all of the amount of the deficit resulting from such default and the company shall issue to each such person a stock certificate for the number of shares to which he is entitled, such certificate to be for the number of shares in proportion to the whole number of forfeited shares which the payment made by the recipient of the new stock certificate bears to the deficit which resulted from such forfeited shares.

Revised Law

Sec. 862.154. CREATION AND DISPOSAL OF NEW STOCK. (a) A fire, marine, or inland marine insurance company that complies with Sections 822.155, 822.157, and 822.158 may:

(1) create new stock;

(2) dispose of the new stock according to applicable law; and

(3) issue new certificates for the new stock.

(b) The insurance company shall sell any new stock created under Subsection (a) for an amount sufficient to make up any impairment of the company's required minimum capital and to make up the surplus of the company as required by Section 822.054 or 822.210, subject to Section 5, Article 1.10, but may not impair the capital of the company. (V.T.I.C. Art. 6.07.)

Source Law

Art. 6.07. It shall be lawful for such company upon compliance with Article 2.03 of this Code to create new stock and dispose of the same according to law and to issue new certificates therefor. Said new stock shall be sold for an amount sufficient to make up any impairments of its required minimum capital and to make up the surplus of the company as provided in Article 2.02 of this

Code as qualified by Section 5 of Article 1.10, without impairment of the capital of the company.

CHAPTER 881. STATEWIDE MUTUAL ASSESSMENT COMPANIES

SUBCHAPTER A. GENERAL PROVISIONS

Revised Law

Sec. 881.001. DEFINITION. In this chapter, "statewide mutual assessment company" means a corporation engaged in the statewide business of mutually protecting or insuring members' lives with money provided by assessments on those members. (V.T.I.C. Art. 13.01 (part); New.)

Source Law

> Art. 13.01. Any corporation . . . carrying on in this State . . . the statewide business of mutually protecting or insuring the lives of its members by assessments made upon its members . . . shall be known as statewide mutual assessment corporations.

Revised Law

Sec. 881.002. LIMITED EXEMPTION FROM INSURANCE LAWS. (a) Except as provided by this chapter and Chapter 887, the insurance laws of this state do not apply to a statewide mutual assessment company.

(b) A law enacted after June 20, 1933, does not apply to statewide mutual assessment companies unless statewide mutual assessment companies are expressly designated in the law. (V.T.I.C. Art. 13.09, Subsec. (a) (part).)

Source Law

> (a) . . . Except as expressly provided in this chapter and in Chapter 14 of this code, no insurance law of this State shall apply to any corporation operating under this chapter, and no law hereafter enacted shall apply to them unless they be expressly designated therein.

Revisor's Note

> (1) Subsection (a), V.T.I.C. Article 13.09, refers to "Chapter 14 of this code." The pertinent part of Chapter 14 is revised as Chapter 887. The revised law is drafted accordingly.
>
> (2) Subsection (a), V.T.I.C. Article 13.09, refers to laws "hereafter enacted." Article 13.09 was enacted by Chapter 491, Acts of the 52nd Legislature, Regular Session, 1951. Section 2 of that act provided that "[n]othing contained in this Act shall

be held or construed to effect any substantive change in the laws existing prior to the passage of this Act, ..." Article 13.09 was derived from Article 4859f, Revised Statutes, which was enacted by Chapter 245, General Laws, Acts of the 43rd Legislature, Regular Session, 1933. That act was approved June 20, 1933. Accordingly, the revised law substitutes a reference to that effective date for "hereafter."

(3) Subsection (b), V.T.I.C. Article 13.09, provides that "Articles 1.15 and 1.16 of this code apply to corporations and associations regulated under this chapter." The revised law omits this provision as duplicative of V.T.I.C. Article 14.16, revised as Section 887.062, applicable to a statewide mutual assessment company by virtue of V.T.I.C. Articles 13.01 and 13.06, revised in relevant part as Section 881.003 of this chapter. The omitted law reads:

(b) Articles 1.15 and 1.16 of this code apply to corporations and associations regulated under this chapter.

Revised Law

Sec. 881.003. COMPLIANCE WITH INSURANCE LAWS. An individual, firm, unincorporated association, or corporation may not engage in business as a statewide mutual assessment company in this state unless the entity complies with this chapter and Chapter 887. (V.T.I.C. Arts. 13.01 (part); 13.06 (part).)

Source Law

Art. 13.01. [Any corporation . . . actually carrying on . . . the statewide business of mutually protecting or insuring the lives of its members by assessments made upon its members] shall comply with the terms of this chapter and Chapter 14 of this code, be subject to the subsequent provisions hereof and . . . .

Art. 13.06. No person, firm, unincorporated association, or corporation shall carry on in this State the statewide business of mutually protecting or insuring the lives of its members by assessments made upon its members except under the terms of

and by complying with the provisions of this chapter and Chapter 14 of this code. . . .

Revisor's Note

(1) V.T.I.C. Articles 13.01 and 13.06 refer to "Chapter 14 of this code." The pertinent part of Chapter 14 is revised as Chapter 887. The revised law is drafted accordingly.

(2) V.T.I.C. Article 13.01 provides that a statewide mutual assessment company shall comply with V.T.I.C. Chapter 13, revised as this chapter, and "be subject to the subsequent provisions hereof." The revised law omits the quoted language as redundant of the requirement that a corporation comply with V.T.I.C. Chapter 13.

Revised Law

Sec. 881.004. EXEMPTION FROM CHAPTER. This chapter applies only to a statewide mutual assessment company. This chapter does not apply to a company operating as a local mutual aid association, fraternal benefit society, or reciprocal exchange or to a foreign assessment company operating under any other law in this state. (V.T.I.C. Art. 13.09, Subsec. (a) (part).)

Source Law

Art. 13.09. (a) This chapter shall in no wise affect or apply to companies operating as local mutual aids, as fraternal benefit societies, reciprocal exchanges, or to foreign assessment companies operating under any other law in this State, or any other form of insurance other than those corporations carrying on in this State the statewide business of mutually protecting or insuring the lives of their members by assessments made upon their members. . . .

Revisor's Note

Subsection (a), V.T.I.C. Article 13.09, provides that the chapter does not "affect or apply to" certain companies. The revised law omits the reference to "affect" because in context "affect" is included within the meaning of "apply to."

Revised Law

Sec. 881.005. ORGANIZATION OF NEW COMPANY PROHIBITED. A new statewide mutual assessment company may not be organized under

this chapter. (New.)

Revisor's Note

Section 881.005 is added to the revised law because it is clear from V.T.I.C. Article 13.01, revised as Section 881.051, Article 13.02, omitted as obsolete at the end of this subchapter, and the portion of Article 13.06 that is omitted as executed at the end of this chapter that no new company may be formed under this chapter.

Revised Law

Sec. 881.006. ANNUAL STATEMENT. (a) For the filing of each annual statement, the department shall charge the appropriate fee. The fee must be deposited in the Texas Department of Insurance operating account.

(b) Article 1.31A applies to the fee. (V.T.I.C. Art. 13.08.)

Source Law

Art. 13.08. For the filing of each annual statement, the Board shall charge the filing fee prescribed by law. The fee shall be deposited in the State Treasury to the credit of the State Board of Insurance operating fund, and Article 1.31A of this code applies to that fee.

Revisor's Note

(1) V.T.I.C. Article 13.08 refers to the "Board," meaning the "Board of Insurance Commissioners." Under Chapter 499, Acts of the 55th Legislature, Regular Session, 1957, administration of the insurance laws of this state was reorganized and the powers and duties of the Board of Insurance Commissioners were transferred to the State Board of Insurance. Chapter 685, Acts of the 73rd Legislature, Regular Session, 1993, abolished the State Board of Insurance and transferred its functions to the commissioner of insurance and the Texas Department of Insurance. Chapter 31 of this code defines "commissioner" and "department" for purposes of this code and the other insurance laws of this state to mean the commissioner of insurance and the Texas Department of Insurance, respectively. Throughout this chapter, references to the Board of Insurance

Commissioners have been changed appropriately.

(2) V.T.I.C. Article 13.08 requires filing fees to be deposited in the state treasury to the credit of the State Board of Insurance operating fund. Under the authority of Chapter 4, Acts of the 72nd Legislature, 1st Called Session, 1991, the Texas Department of Insurance operating fund (the later name of the State Board of Insurance operating fund) was converted to an account in the general revenue fund. The revised law is drafted accordingly.

Revisor's Note

(End of Subchapter)

V.T.I.C. Article 13.02 in part provides that each "mutual assessment life, health and accident insurance company chartered by authority of Chapter 6, Title 78, Revised Civil Statutes of Texas, and licensed by the Insurance Department of Texas under said Act and Section 18a of Senate Bill No. 37, Acts of the First Called Session of the 41st Legislature, and which has qualified under this chapter may transact the business of life, health and accident insurance under the provisions of its charter and this chapter." The revised law omits Article 13.02 because under Chapter 197, Acts of the 50th Legislature, Regular Session, 1947, from which Article 13.02 is derived, each company had to qualify under that article not later than six months after the act's effective date, which was September 4, 1947. Currently, only one company is governed by V.T.I.C. Chapter 13, and that company qualified under V.T.I.C. Article 13.01, revised in pertinent part as Section 881.051 of this chapter. Thus, since no company is currently governed by Article 13.02 and no company may qualify under that article, Article 13.02 is obsolete. The omitted law reads:

Art. 13.02. Every mutual assessment life, health and accident insurance company chartered by authority of Chapter 6, Title 78, Revised Civil Statutes of Texas, and

licensed by the Insurance Department of Texas under said Act and Section 18a of Senate Bill No. 37, Acts of the First Called Session of the 41st Legislature, and which has qualified under this chapter may transact the business of life, health and accident insurance under the provisions of its charter and this chapter. Provided, further, that any such company may amend or extend its charter by compliance with the same requirements provided in the general corporation laws of Texas.

[Sections 881.007-881.050 reserved for expansion]

SUBCHAPTER B. STRUCTURE AND OPERATION OF STATEWIDE MUTUAL ASSESSMENT COMPANIES

Revised Law

Sec. 881.051. AUTHORITY TO ACT AS STATEWIDE MUTUAL ASSESSMENT COMPANY. A corporation may engage in business as a statewide mutual assessment company only if the corporation:

(1) was incorporated in this state under a law that was amended, repealed, or reenacted before June 20, 1933;

(2) was engaged in business as a statewide mutual assessment company in this state on December 31, 1932;

(3) does not have capital stock; and

(4) is not for profit. (V.T.I.C. Art. 13.01 (part).)

Source Law

Art. 13.01. Any corporation organized and incorporated under a preexisting law in this State without capital stock and not for profit, which law has been amended or repealed or reenacted, prior to the effective date of this code and which was operating and actually carrying on in this State immediately prior to January 1, 1933, the statewide business of mutually protecting or insuring the lives of its members by assessments made upon its members . . . shall be known as statewide mutual assessment corporations.

Revisor's Note

(1) V.T.I.C. Article 13.01 refers to a corporation organized and incorporated under a "preexisting law" in this state, "prior to the effective date of this code." The reference to a "preexisting law" was added by

Chapter 245, General Laws, Acts of the 43rd Legislature, Regular Session, 1933, which took effect June 20, 1933. Subsequently, Chapter 491, Acts of the 52nd Legislature, Regular Session, 1951, amended Article 13.01 and added the language "prior to the effective date of this code." However, Section 2 of that act provided that "[n]othing contained in this Act shall be held or construed to effect any substantive change in the laws existing prior to the passage of this Act, ..." Thus, the revised law substitutes a reference to "June 20, 1933" for "preexisting law" and for "prior to the effective date of this code."

(2) V.T.I.C. Article 13.01 refers to a corporation "operating and actually carrying on" a certain type of business in this state. The revised law refers instead to a statewide mutual assessment company "engaged in" a certain type of business because the phrases are synonymous in context and the latter is more consistent with the terminology used in this code.

Revised Law

Sec. 881.052. APPLICABILITY OF TEXAS NON-PROFIT CORPORATION ACT. (a) Except to the extent of any conflict with this code, the Texas Non-Profit Corporation Act (Article 1396-1.01 et seq., Vernon's Texas Civil Statutes) applies to a statewide mutual assessment company. The commissioner has each power and duty of, and shall perform each act to be performed by, the secretary of state under that Act with respect to statewide mutual assessment companies.

(b) On advance approval of the commissioner, a statewide mutual assessment company may pay dividends to its members. (V.A.C.S. Art. 1396-10.04, Sec. B (part).)

Source Law

[Art. 1396-10.04]

B. In so far as the same are not inconsistent with or contrary to any applicable provision of the Insurance Code of Texas, or any amendment thereto, the provisions of this Act shall apply to and govern . . . statewide mutual assessment corporations, . . . ; provided however, (a) that any such mutual insurance associations . . . may, upon advance approval of the

Commissioner of Insurance, pay dividends to its members, and (b) that wherever in this Act some duty, responsibility, power, authority, or act is vested in, required of, or to be performed by the Secretary of State, such is to be vested in, required of, or performed by the Commissioner of Insurance in so far as such mutual insurance . . . associations are concerned.

Revisor's Note

(1) Section B, V.A.C.S. Article 1396-10.04, states that the Texas Non-Profit Corporation Act (Article 1396-1.01 et seq., Vernon's Texas Civil Statutes) shall "apply to and govern" statewide mutual assessment corporations. The revised law omits the reference to "govern" because, in context, "govern" is included within the meaning of "apply to."

(2) Section B, V.A.C.S. Article 1396-10.04, refers to the Insurance Code "or any amendment thereto." The revised law omits the reference to "any amendment thereto" because under Section 311.027, Government Code (Code Construction Act), unless expressly provided otherwise, a reference to a statute applies to all reenactments, revisions, or amendments of the statute.

(3) Section B, V.A.C.S. Article 1396-10.04, refers to a "duty, responsibility, power, authority . . ." of the secretary of state and commissioner of insurance. The revised law substitutes "power and duty" for the quoted phrase because "responsibility" is included within the meaning of "duty" and "authority" is included within the meaning of "power."

(4) Section B, V.A.C.S. Article 1396-10.04, refers to an act "vested in, required of, or to be performed by" the secretary of state and commissioner of insurance. The revised law omits the references to "vested in" and "required of" because, in context, these phrases are included within the meaning of the phrase "to be performed by."

Revised Law

Sec. 881.053. SEPARATE GROUPS, CLUBS, OR CLASSES. A statewide mutual assessment company may provide in its by-laws for the creation of separate groups, clubs, or classes based on reasonable classifications specified in the by-laws. (V.T.I.C. Art. 13.03 (part).)

Source Law

> Art. 13.03. . . . Nothing herein shall be construed, however, as to prohibit any corporation hereunder from providing by its by-laws for the creation of separate groups, clubs, or classes, based upon such a reasonable classification as specified in the by-laws, ...

Revised Law

Sec. 881.054. MINIMUM MEMBERSHIP REQUIRED. A statewide mutual assessment company may not issue a certificate or policy unless the membership of the company or the group, class, or club of the company that is liable for assessments on the certificate or policy is sufficient in number at the assessment rate charged the company, group, class, or club to pay 50 percent of the maximum benefit in the certificate or policy. (V.T.I.C. Art. 13.05 (part).)

Source Law

> Art. 13.05. [No corporation operating under this chapter shall write] . . . nor any policy or certificate of insurance unless the membership of said corporation, liable for assessments on said policy or certificate or group or class or club liable therefor shall be sufficient in number at the assessment rate charged said class to pay fifty (50%) per cent of the maximum benefit set forth in said policy or certificate. . . .

Revised Law

Sec. 881.055. USE OF COMPANY NAME. A statewide mutual assessment company may not operate an independent branch office or a separate group, club, or class under a name different from the name of the company. (V.T.I.C. Art. 13.03 (part).)

Source Law

> Art. 13.03. No corporation operating under this chapter shall be permitted to operate any independent branch office,

separate group, club, or class, under any other name than that of said corporation, ...

Revised Law

Sec. 881.056. ISSUANCE OF CERTIFICATE OR POLICY TO SEPARATE GROUPS, CLUBS, OR CLASSES. (a) A certificate or policy issued by the company to members of a group, club, or class may limit benefits under the certificate or policy to the assessments made, levied, and collected from the group, club, or class.

(b) The assets or benefits of a group, club, or class may not be pledged or transferred without the consent of at least three-fourths of the members of the group, club, or class. (V.T.I.C. Art. 13.03 (part).)

Source Law

Art. 13.03. . . . and providing in the policies issued to the members of such groups, clubs, or classes that the benefits under said policies shall be limited to the assessments made, levied, and collected from any such particular group, club, or class, respectively. It is further provided that no stock or assets or benefits of any such particular group, club or class, shall be pledged, sold, or transferred without the consent of three-fourths (3/4) of the members of such particular group, club, or class.

Revisor's Note

(1) V.T.I.C. Article 13.03 refers to "policies." The revised law substitutes "certificate or policy" for "policies" in this section and for "policy" throughout this chapter to maintain consistency throughout the chapter. It is clear from other provisions of Chapter 13, revised as this chapter, that the types of documents issued by a statewide mutual assessment company may be called a "certificate" or a "policy."

(2) V.T.I.C. Article 13.03 refers to "stock or assets or benefits" of a group, club, or class being "pledged, sold, or transferred." The revised law omits "stock" because its meaning is included within the meaning of "assets." The revised law also omits "sold" because its meaning is included within the meaning of "transferred."

Revised Law

Sec. 881.057. INSUFFICIENT MEMBERSHIP: CONSOLIDATION OR DISCONTINUATION OF GROUP, CLUB, OR CLASS OR LIQUIDATION OF COMPANY. (a) If membership of a group, club, or class of a statewide mutual assessment company is less than the number required by Section 881.054, the company shall immediately notify:

(1) the members of the group, club, or class; or

(2) if the company has only one group, club, or class, the members of the company.

(b) Not later than six months after a statewide mutual assessment company notifies the members of a group, club, or class under Subsection (a)(1), the company shall:

(1) increase the membership of the group, club, or class to at least the number required by Section 881.054;

(2) consolidate the group, club, or class with another group, club, or class; or

(3) discontinue the group, club, or class.

(c) Not later than six months after a statewide mutual assessment company notifies the members of the company under Subsection (a)(2), the company shall increase the membership to at least the number required by Section 881.054. If the membership is not increased to at least that number, the commissioner shall take steps to liquidate the company under Subchapter L, Chapter 887. (V.T.I.C. Art. 13.05 (part).)

Source Law

> Art. 13.05. . . . In the event the membership in any group, class, or club of said corporation shall fall below such number, then the corporation shall immediately notify the members of such group, class, or club, and if said membership is not increased to said number within six (6) months thereafter, said group, class, or club, shall be consolidated with some other group, class, or club, or discontinued. In the event any corporation hereunder has only one class, group, or club, then in the event the membership of said corporation shall at any time fall below fifty (50%) per cent of the number required at the assessment rate charged to pay the maximum benefit provided by any one of its policies or certificate, the corporation shall immediately notify the members of the corporation, and unless the membership is increased to said number within six (6) months thereafter, the Board of

Insurance Commissioners shall take steps under Article 14.33 of Chapter 14 to bring about the liquidation of said corporation.

Revised Law

Sec. 881.058. AGENT. (a) A person who solicits an application for a certificate or policy providing insurance on the life of another is considered to be an agent of the statewide mutual assessment company that issues the certificate or policy in a controversy between the company and the insured or the insured's beneficiary.

(b) An agent described by Subsection (a) may not waive or alter the terms of an application, certificate, or policy. (V.T.I.C. Art. 13.04 (part).)

Source Law

Art. 13.04. . . . any person who shall solicit an application for insurance upon the life of another shall in any controversy between the insured and his beneficiary and the company issuing any policy upon such application, be regarded as the agent of the company, and not the agent of the insured, but such agent shall not have power to waive, change or alter any of the terms or conditions of the application or policy.

Revisor's Note

(1) V.T.I.C. Article 13.04 provides that an agent does not have the authority to "waive, change or alter" the terms of an application or policy. The revised law omits the reference to "change" as unnecessary because the meaning of "change" is included within the meaning of "alter."

(2) V.T.I.C. Article 13.04 refers to the "terms or conditions" of an application or policy. The revised law omits the reference to "conditions" because its meaning is included within the meaning of "terms."

SUBCHAPTER C. BENEFITS PROVIDED BY STATEWIDE MUTUAL ASSESSMENT COMPANIES

Revised Law

Sec. 881.101. TYPES OF CERTIFICATES OR POLICIES AUTHORIZED. (a) A statewide mutual assessment company may issue only a certificate or policy that provides for the continuous payment of premiums or assessments during the policyholder's life.

(b) A statewide mutual assessment company may not:

(1) issue a certificate or policy on a limited payment plan; or

(2) promise to pay an endowment or annuity benefit. (V.T.I.C. Art. 13.04 (part).)

Source Law

Art. 13.04. No corporation hereunder shall issue any certificate or policy upon a limited payment plan, nor guarantee or promise to pay any type of endowment or annuity benefits, but shall confine its operation to the issuance of certificates looking to continuous payment of premiums or assessments during the life time of the policyholder.

. . .

Revisor's Note

(1) V.T.I.C. Article 13.04 refers to a "guarantee or promise to pay." The revised law omits "guarantee" because in context its meaning is included within the meaning of "promise to pay."

(2) V.T.I.C. Article 13.04 authorizes a statewide mutual assessment company to issue only certain types of "certificates" and prohibits companies from issuing a "certificate or policy" of another type. Throughout this subchapter, the revised law substitutes "certificate or policy" for the reference to "certificates."

Revised Law

Sec. 881.102. MAXIMUM BENEFIT UNDER CERTIFICATE OR POLICY. A statewide mutual assessment company may not issue a certificate or policy that provides a benefit that exceeds $5,000. (V.T.I.C. Art. 13.05 (part).)

(b) A misrepresentation in an application for a certificate or policy may not be used as a defense against a claim or loss under the certificate or policy unless it is shown that the misrepresentation is material to the risk assumed. (V.T.I.C. Art. 13.04 (part).)

SUBCHAPTER O. ENFORCEMENT; CRIMINAL PENALTY

Revised Law

Sec. 881.701. GENERAL CRIMINAL PENALTY. (a) A person commits an offense if:

(1) the person violates this chapter; or

(2) the person:

(A) is a corporation or a responsible officer of a corporation; and

(B) permits or participates in a violation of this chapter by a corporation.

(b) An offense under this section is a misdemeanor punishable by a fine not to exceed $500. (V.T.I.C. Art. 13.07 (part).)

Source Law

Art. 13.07. Any person or persons violating any of the provisions of this chapter shall be deemed guilty of a misdemeanor and upon conviction shall be fined in any sum not more than Five Hundred ($500.00) Dollars. Any responsible officer or any corporation permitting or participating in the violation of this law by any corporation shall be deemed guilty of a violation of this chapter and subject to the penalties herein.

. . .

Revised Law

Sec. 881.702. ENFORCEMENT BY ATTORNEY GENERAL. (a) The attorney general may enforce the penalty provided under Section 881.701 and Section 887.705 against a corporation or unincorporated association.

(b) Notwithstanding Section 887.209, venue of a prosecution under this section may be in Travis County. (V.T.I.C. Art. 13.07 (part).)

Source Law

Art. 13.07. . . .

The Attorney General shall be authorized to enforce in addition to the rights of forfeiture provided herein the penalty provided in this article and Article 14.59 of Chapter 14 against any corporation or unincorporated association which shall be guilty of the violation of any of the provisions of this chapter and Chapter 14. The venue of any suit or prosecution under this article may be in Travis County, Texas.

Revisor's Note

(1) V.T.I.C. Article 13.07 refers to the attorney general's enforcement powers under V.T.I.C. Chapter 13, revised as this chapter, as being "in addition to the rights of forfeiture provided herein." The revised law omits the quoted language because it refers to that part of V.T.I.C. Article 13.06 that is omitted from the revised law for the reason stated in the revisor's note at the end of this chapter.

(2) V.T.I.C. Article 13.07 refers to a "suit or prosecution" under that article. The revised law omits "suit" because that term is not commonly used to refer to the type of proceeding used to enforce a criminal penalty.

(3) V.T.I.C. Article 13.07 in part provides that venue of a prosecution under that article against a corporation may be in Travis County, Texas. V.T.I.C. Article 14.35, revised as Section 887.209 of this code, is a general venue provision that applies to an action brought against a statewide mutual assessment company and provides that venue shall be in the county in which the policyholder or beneficiary resides or in which the principal office of the corporation is located. The revised law adds a reference to Section 887.209 to clarify that the venue provided by Article 13.07 is in addition to the venue provided by Article 14.35.

Revisor's Note

(End of Chapter)

V.T.I.C. Article 13.06 in part provides that the attorney general shall "immediately upon the effective date of this code . . . take necessary action . . . to enforce the forfeiture of charters" of certain corporations and that such corporations are "forever prohibited from carrying on any business in this State." The article also provides that the charters of certain other corporations are "expressly continued in force subject to the provisions of law." The revised law omits that part of Article 13.06 relating to the forfeiture and continuation of charters as executed. The omitted law reads:

Art. 13.06. . . . Each and every charter of every corporation and mutual relief or benefit association granted by the State of Texas under the authority of the Secretary of State of this State, which was or is exempt from the provisions of the insurance laws of this State by the terms of Article 2971a, R.S. 1879, (Article 3096, Revised Statutes 1895) and Article 3096w,

Revised Statutes, 1895, which corporations heretofore have failed or refused to comply with the terms of Chapter 8A, Title 78, Revised Civil Statutes of Texas is hereby expressly repealed and revoked and said corporations are hereafter forever prohibited from carrying on any business in this State. It is the expressed intent of this article and this chapter to revoke, repeal and cancel the charter of every corporation, dormant, or otherwise, exempt from the insurance laws of this State by Article 2971a, Revised Statutes 1879, and Article 3096 and 3096w, Revised Statutes of 1895, which failed to comply with the terms of Chapter 8A, Title 78, Revised Civil Statutes of Texas. The charters of all corporations complying with said Chapter 8A, Title 78, are expressly continued in force subject to the provisions of law. It shall be the duty of the Attorney General of this State immediately upon the effective date of this code to take necessary action by quo warranto, application for receiver, or otherwise to enforce the forfeiture of charters as provided herein and to liquidate and close the affairs of any corporation herein referred to which has heretofore failed to comply with the terms of this chapter and Chapter 14 of this code.

CHAPTER 882. MUTUAL LIFE INSURANCE COMPANIES

SUBCHAPTER A. GENERAL PROVISIONS

[Sections 882.004-882.050 reserved for expansion]

SUBCHAPTER B. FORMATION AND STRUCTURE OF MUTUAL LIFE INSURANCE COMPANY

CHAPTER 882. MUTUAL LIFE INSURANCE COMPANIES

SUBCHAPTER A. GENERAL PROVISIONS

Revised Law

Sec. 882.001. APPLICABILITY OF THIS CHAPTER AND OTHER LAW. Except to the extent of any conflict with this chapter, a law governing a company organized under Chapter 841 applies to a mutual life insurance company organized under this chapter. (V.T.I.C. Art. 11.19 (part).)

Source Law

> Art. 11.19. The provisions of Chapter 3 of this Code, when not in conflict with the Articles of this Chapter, shall apply to and govern mutual life insurance companies organized under the provisions of this Chapter, [provided, however, that when any mutual life insurance company organized under the provisions of this Chapter has a surplus equal to or greater than the minimum of capital and surplus required of capital stock companies under the provisions of Article 3.02 of Chapter 3, Insurance Code of the

State of Texas, Revised Civil Statutes of Texas of 1925, the following provisions of Chapter 11 only shall apply to such mutual companies: 11.01, 11.02, 11.03, 11.04, 11.05, 11.06, 11.07, 11.10, 11.11, 11.12, 11.14, 11.16, 11.17, 11.18, 11.19, 11.20, and 11.21.] On all other matters the provisions of said Chapter 3 shall apply to and govern such mutual life insurance companies.

Revisor's Note

(1) V.T.I.C. Article 11.19 refers to Chapter 3 of the Insurance Code. To accurately reflect the intent of the legislature, the revised law refers to the law governing a company organized under Chapter 841. Chapter 841 revises the provisions of Chapter 3 relating to the organization of domestic life, health, and accident insurance companies.

(2) V.T.I.C. Article 11.19 states that certain laws shall "apply to and govern" mutual life insurance companies. The revised law omits "govern" as unnecessary because its meaning is included in the meaning of "apply to."

(3) V.T.I.C. Article 11.19 lists those provisions of Chapter 11 that apply to a mutual life insurance company organized under the chapter that has a surplus of at least the minimum amount of capital and surplus required of a capital stock company under V.T.I.C. Article 3.02. Because most of Chapter 11 applies to those companies, the revised law instead includes a specific statement in each part of the revision that does not apply to such a company. The omitted law reads:

Art. 11.19. . . . provided, however, that when any mutual life insurance company organized under the provisions of this Chapter has a surplus equal to or greater than the minimum of capital and surplus required of capital stock companies under the provisions of Article 3.02 of Chapter 3, Insurance Code of the State of Texas, Revised Civil Statutes of Texas of 1925, the following provisions of Chapter 11 only shall

apply to such mutual companies: 11.01, 11.02, 11.03, 11.04, 11.05, 11.06, 11.07, 11.10, 11.11, 11.12, 11.14, 11.16, 11.17, 11.18, 11.19, 11.20, and 11.21. . . .

Revised Law

Sec. 882.002. EXAMINATION OF COMPANY. Articles 1.15 and 1.16 apply to a mutual life insurance company organized under this chapter. (V.T.I.C. Art. 11.07.)

Source Law

Art. 11.07. All of the provisions of Article 1.15 and Article 1.16 relative to the examination of companies shall apply to companies formed under this Chapter.

Revised Law

Sec. 882.003. ANNUAL STATEMENT. A mutual life insurance company shall file an annual statement with the department. (V.T.I.C. Art. 11.06 (part).)

Source Law

Art. 11.06. Such mutual life insurance companies shall file their annual statements with the Board of Insurance Commissioners, and . . . .

Revisor's Note

V.T.I.C. Article 11.06 refers to the "Board of Insurance Commissioners." Under Chapter 499, Acts of the 55th Legislature, Regular Session, 1957, administration of the insurance laws of this state was reorganized and the powers and duties of the Board of Insurance Commissioners were transferred to the State Board of Insurance. Chapter 685, Acts of the 73rd Legislature, Regular Session, 1993, abolished the State Board of Insurance and transferred its functions to the commissioner of insurance and the Texas Department of Insurance. Chapter 31 of this code defines "commissioner" and "department" for purposes of this code and the other insurance laws of this state to mean the commissioner of insurance and the Texas Department of Insurance, respectively. Throughout this chapter, references to the Board of Insurance Commissioners and the

State Board of Insurance have been changed appropriately.

SUBCHAPTER B. FORMATION AND STRUCTURE OF MUTUAL LIFE INSURANCE COMPANY

Revised Law

Sec. 882.051. AUTHORITY TO FORM COMPANY; PURPOSE. A mutual life insurance company may be formed under this chapter to insure the lives of individuals on the mutual level premium and legal reserve plan. (V.T.I.C. Art. 11.01, Sec. 1 (part).)

Source Law

Sec. 1. . . . may form a mutual life insurance company for the purposes of insuring the lives of individuals on the mutual level premium, legal reserve plan, and . . . .

Revised Law

Sec. 882.052. FORMATION OF COMPANY; ARTICLES OF INCORPORATION. (a) Nine or more persons who are residents of this state may form a mutual life insurance company by executing and acknowledging articles of incorporation for that purpose.

(b) The articles of incorporation of the proposed company must state:

(1) the name and residence of each incorporator;

(2) the name of the company;

(3) the location of the company's principal office at which company business is to be transacted;

(4) the number of directors;

(5) the name and residence of each initial director; and

(6) the amount of the company's unencumbered surplus. (V.T.I.C. Art. 11.01, Sec. 1 (part).)

Source Law

Art. 11.01

Sec. 1. Nine or more persons, residents of this State, [may form a mutual life insurance company] . . . by executing and acknowledging articles of incorporation for that purpose. Such articles of incorporation shall set forth:

1. The name and residence of each incorporator;

2. The name of the proposed company, . . .

3. The location of the principal

office from which the business of the company is to be transacted;

4. The number of directors and the name and residence of each one [who is to serve until the first regular election of directors];

5. The amount of its free surplus

. . . .

Revisor's Note

Section 1, V.T.I.C. Article 11.01, refers to a mutual life insurance company's "free surplus." Throughout this chapter, the revised law substitutes "unencumbered surplus" for "free surplus" because, in context, the phrases are synonymous and the phrase "unencumbered surplus" is more consistent with modern usage.

Revised Law

Sec. 882.053. COMPANY'S NAME. (a) The name of a mutual life insurance company must contain the words "Mutual Life Insurance Company."

(b) A mutual life insurance company's name may not be so similar to the name of another insurance company as to likely mislead the public. (V.T.I.C. Art. 11.01, Sec. 1 (part).)

Source Law

Sec. 1. . . .

2. [The name of the proposed company,] which shall contain the words "Mutual Life Insurance Company" as a part thereof; and the name selected shall not be so similar to that of any other insurance company as to be likely to mislead the public;

. . .

Revised Law

Sec. 882.054. INITIAL BOARD OF DIRECTORS; TERM. An initial director named as provided in Section 882.052 serves until:

(1) the first annual election of directors;

(2) the initial director's successor qualifies for office; or

(3) the initial director is removed from the board for improper practices. (V.T.I.C. Art. 11.01, Sec. 1 (part); Art. 11.03 (part).)

Source Law

Art. 11.01

Sec. 1. . . .

4. [The . . . directors and the name . . . of each one] who is to serve until the first regular election of directors;

. . .

Art. 11.03. . . . The directors who are to serve until the first annual election [shall be named in the charter, and] they shall hold office until their successors shall be elected and qualified, or until they shall be removed for improper practices. . . .

Revisor's Note

Section 1, V.T.I.C. Article 11.01, refers to the first "regular" election of directors. The revised law substitutes "annual" for "regular" to provide for consistent use of terminology in this chapter.

Revised Law

Sec. 882.055. UNENCUMBERED SURPLUS REQUIREMENTS. A mutual life insurance company must possess at the time of incorporation unencumbered surplus in an amount of at least $200,000. The unencumbered surplus may consist only of:

(1) United States currency;

(2) bonds of the United States, this state, or a county or municipality of this state; or

(3) government insured mortgage loans that are authorized by this chapter, with not more than 25 percent of the unencumbered surplus invested in first mortgage real estate loans. (V.T.I.C. Art. 11.01, Sec. 1 (part).)

Source Law

Sec. 1. . . .

5. [The amount of its free surplus] which shall, at the time of incorporation, be not less than Two Hundred Thousand ($200,000.00) Dollars. Such free surplus shall, at the time of incorporation, consist only of lawful money of the United States or bonds of the United States or of this State or of any county or incorporated municipality thereof, or government insured

mortgage loans which are otherwise authorized by this chapter, and shall not include any real estate as a part of its free surplus; provided, however, that twenty-five (25%) per cent of the minimum free surplus may be invested in first mortgage real estate loans. . . .

Revisor's Note

(1) Section 1, V.T.I.C. Article 11.01, refers to an "incorporated municipality." The revised law omits "incorporated" because under the Local Government Code all municipalities must be incorporated.

(2) Section 1, V.T.I.C. Article 11.01, provides that the minimum surplus "shall not include any real estate." The revised law omits the quoted phrase as unnecessary because the revised law expressly sets out all of the forms that surplus may take, which do not include real property.

Revised Law

Sec. 882.056. APPLICATION FOR CHARTER. (a) To obtain a charter for a mutual life insurance company under this chapter, the incorporators must pay the charter fee in the amount determined under Article 4.07 and file with the department:

(1) an application for charter on the form and including the information prescribed by the commissioner;

(2) the company's articles of incorporation; and

(3) an affidavit made by two or more of the incorporators that states that:

(A) the unencumbered surplus requirements of Section 882.055 are satisfied;

(B) the unencumbered surplus is the bona fide property of the company; and

(C) the information in the application and articles of incorporation is true and correct.

(b) The commissioner may require that the incorporators provide at their expense additional evidence of a matter required in the affidavit before the commissioner takes further action on the application for the charter.

(c) The charter must state the name of each director who is to serve until the first annual election. (V.T.I.C. Art. 11.02, Sec. 1 (part); Art. 11.03 (part).)

Source Law

Art. 11.02

Sec. 1. As a condition precedent to the

granting of a charter of any such insurance company, the incorporators shall file with the State Board of Insurance the following:

1. An application for charter on such form and include therein such information as may be prescribed by the Board;

2. The articles of incorporation as provided in this Code;

3. An affidavit made by two (2) or more of its incorporators that such company is possessed of at least Two Hundred Thousand ($200,000.00) Dollars free surplus, as required by law, which affidavit shall state that the facts set forth in the application and articles of incorporation are true and correct and that the free surplus is the bona fide property of such company. The State Board of Insurance may, in its discretion, at the expense of the incorporators, require other and additional satisfactory evidence of the matters required to be set forth in said affidavit before it shall be required to file the articles of incorporation, application for charter, or follow the procedure hereinafter set forth;

4. A charter fee prescribed by law.

. . .

Art. 11.03. . . . The directors who are to serve until the first annual election shall be named in the charter, and . . .

Revisor's Note

Section 1, V.T.I.C. Article 11.02, refers to the charter fee "prescribed by law." V.T.I.C. Article 4.07 is a comprehensive fee provision applicable by its terms to "any and all . . . mutual insurance companies." That article authorizes the Texas Department of Insurance to set the amounts of various fees, including a fee for filing a charter. Accordingly, the revised law substitutes a general reference to a fee in the amount determined under V.T.I.C. Article 4.07.

Revised Law

Sec. 882.057. APPLICATION PROCESS. (a) After the charter fee is paid and all items required for a charter under Section 882.056 are filed with the department, the commissioner may set a date for a hearing on the application.

(b) The date for a hearing on an application may not be before the 11th or later than the 60th day after the date notice is provided under Subsection (c).

(c) The commissioner shall:

(1) provide written notice of the date of the hearing to:

(A) the person or persons who filed the application; and

(B) any interested party, including any other party who had previously requested a copy of the notice; and

(2) publish, at the expense of the incorporators, a copy of the notice in a newspaper of general circulation in the county in which the mutual life insurance company's home office is proposed to be located.

(d) The department shall make a record of the proceedings of a hearing under this section.

(e) An interested party is entitled to oppose or support the granting or denial of the application and may intervene and participate fully and in all respects in any hearing or other proceeding on the application. An intervenor has the rights and privileges of a proper or necessary party in a civil suit in the courts of this state, including the right to be represented by counsel. (V.T.I.C. Art. 11.02, Sec. 1 (part).)

Source Law

Sec. 1. . . .

When such application for charter, articles of incorporation, affidavit and charter fee are filed with the State Board of Insurance, the Board may set a date for a public hearing of the same, which date shall be not less than ten (10) nor more than sixty (60) days after the date of notice thereof. The Board shall notify in writing the person or persons submitting such application of the date for such hearing, and shall furnish a copy of such notice to all interested parties, including any other parties who have theretofore requested a copy of such notice. The Board shall, at the expense of the incorporators, publish a copy of such notice in any newspaper of general circulation in the county of the proposed home office of

said company. In all such public hearings on such applications, a record shall be made of such proceedings and . . . . Any interested party shall have the right to oppose or support the granting or denial of such application and may intervene and participate fully and in all respects in any hearing or other proceeding had on any such application. Any such intervenor shall have and enjoy all the rights and privileges of a proper or necessary party in a civil suit in the courts of this State, including the right to be represented by counsel.

. . .

Revisor's Note

Section 1, V.T.I.C. Article 11.02, refers to a "public hearing" of the former State Board of Insurance. Throughout this chapter, the revised law omits "public" as unnecessary. In context, "hearing" means a hearing open to the public.

Revised Law

Sec. 882.058. ACTION ON APPLICATION. (a) In considering the application, the commissioner, not later than the 30th day after the date a hearing under Section 882.057 is completed, shall determine if:

(1) the minimum unencumbered surplus required by Section 882.055 is the bona fide property of the mutual life insurance company;

(2) the proposed officers, directors, and managing executives of the company have sufficient insurance experience, ability, and standing to make success of the proposed company probable; and

(3) the applicants are acting in good faith.

(b) If the commissioner determines by an affirmative finding any of the issues under Subsection (a) adversely to the applicants, the commissioner shall reject the application in writing, giving the reason for the rejection. An application may not be granted unless it is adequately supported by competent evidence.

(c) If the commissioner does not reject the application under Subsection (b), the commissioner shall approve the application. (V.T.I.C. Art. 11.02, Sec. 1 (part).)

Source Law

Sec. 1. . . . no such application shall be granted except when same is adequately

supported by competent evidence. . . .

In considering any such application, the Board shall within thirty (30) days after public hearing, determine whether:

(a) The minimum free surplus, as required by law, is the bona fide property of the company;

(b) The proposed officers, directors and managing executive have sufficient insurance experience, ability and standing to render success of the proposed company probable;

(c) The applicants are acting in good faith;

If the Board shall determine by an affirmative finding any of the above issues adversely to the applicants, it shall reject the application in writing, giving the reason therefor. Otherwise, the Board shall approve the application, whereupon all such documents shall be deposited with the Board.

Revisor's Note

Section 1, V.T.I.C. Article 11.02, provides that on the board's approval of an application for a charter, "all such documents shall be deposited with the Board." The revised law omits the quoted language as unnecessary because it duplicates the requirement under that section, revised as Section 882.056, that the incorporators of a mutual life insurance company file with the board the charter application, the company's articles of incorporation, and an affidavit.

Revised Law

Sec. 882.059. EXAMINATION AFTER DETERMINATION. After making a determination on an application under Section 882.058, the commissioner shall immediately make or cause to be made a full and thorough examination of the mutual life insurance company. The company shall pay for the examination. (V.T.I.C. Art. 11.02, Sec. 2 (part).)

Source Law

Sec. 2. The Board shall thereupon immediately make, or cause to be made, at the expense of the company, a full and thorough examination thereof. . . .

SUBCHAPTER C. AUTHORITY TO ENGAGE IN BUSINESS

Revised Law

Sec. 882.101. ISSUANCE OF CERTIFICATE OF AUTHORITY. (a) After the examination of a mutual life insurance company under Section 882.059, the commissioner shall issue a certificate of authority to the company if the commissioner finds that:

(1) the company has complied with all applicable laws;

(2) the company satisfies the unencumbered surplus requirements of Section 882.055; and

(3) the company's unencumbered surplus is in the custody of the company's officers.

(b) A certificate of authority issued under this section authorizes the company to engage in the business of life, health, or accident insurance in this state as may be specified in the company's charter or charter application. (V.T.I.C. Art. 11.02, Sec. 2 (part).)

Source Law

Sec. 2. [The Board shall thereupon immediately make, or cause to be made, . . . a full and thorough examination thereof.] If it finds that the company has complied with all applicable laws and is possessed of a free surplus of not less than Two Hundred Thousand ($200,000.00) Dollars and that such surplus is in the custody of the officers either in cash or classes of investments as provided in Paragraph 5 of Article 11.01 of this Code, as amended, it shall issue to such company a certificate of authority to transact a life, health or accident insurance business within this State as such officers may apply for and as may be authorized by its charter issued pursuant to Article 11.01 of this chapter; . . . . No original or first certificate of authority shall be granted, except in conformity herewith.

Revisor's Note

(1) Section 2, V.T.I.C. Article 11.02, refers to "Paragraph 5 of Article 11.01 of this Code, as amended." Throughout this chapter, the revised law omits references to "as amended" because under Section 311.027, Government Code (Code Construction Act), applicable to the revised law, a reference to

a statute applies to all reenactments, revisions, or amendments of the statute.

(2) Section 2, V.T.I.C. Article 11.02, refers to a finding by the commissioner of insurance that a mutual life insurance company possesses unencumbered surplus in an amount of at least $200,000 in cash or classes of investments as provided by Paragraph 5 of Article 11.01 of the Insurance Code. Paragraph 5 of Article 11.01 is revised in relevant part as Section 882.055 of this chapter and included within that section is the requirement that a mutual life insurance company possess unencumbered surplus in an amount of at least $200,000. Accordingly, the revised law refers to a finding by the commissioner that a company satisfies the unencumbered surplus requirements of Section 882.055.

(3) Section 2, V.T.I.C. Article 11.02, refers to an "original or first" certificate of authority and to the term of a certificate of authority issued under that article, implying that a certificate of authority is subject to renewal. In addition, V.T.I.C. Article 11.06 requires mutual life insurance companies to file an annual statement with the Texas Department of Insurance "and receive from the [department] their certificates of authority to transact the business of life, health, and accident insurance," implying a requirement that a certificate of authority must be renewed. Under Section 1, Article 1.14, revised in relevant part as Section 801.053, a certificate of authority is valid until it is suspended or revoked. Section 2, Chapter 194, Acts of the 56th Legislature, Regular Session, 1959, amending Article 1.14, repealed "[a]ll laws and parts of laws in conflict herewith . . ., including [Article] 11.02 . . . to the extent that they require periodic renewal of certificates of authority." The omitted law reads:

[Art. 11.02]

Sec. 2. . . . which certificate shall be issued for a period of not more than fifteen (15) months and not extending more than

ninety (90) days beyond the last day of February next after the date of its issuance, on which date such certificate shall expire by its terms unless revoked or suspended according to law. . . .

Art. 11.06. [Such mutual life insurance companies shall file their annual statements with the Board of Insurance Commissioners, and] receive from the Board their certificates of authority to transact the business of life, health, and accident insurance.

(4) Section 1, V.T.I.C. Article 11.01, states that a mutual life insurance company may issue a life, health, or accident insurance policy subject to the provisions of this chapter. The revised law omits the provision as unnecessary. V.T.I.C. Article 11.02, revised in relevant part as this section, provides for the issuance of a certificate of authority to a mutual life insurance company that authorizes the company to engage in the business of life, health, or accident insurance. Included within that authority is the authority to issue a life, health, or accident insurance policy. The omitted law reads:

Sec. 1. . . . any such company heretofore or hereafter created may issue, combined or separately, life, health and accident insurance policies, subject to the provisions of this chapter, ...

SUBCHAPTER D. MANAGEMENT OF MUTUAL LIFE INSURANCE COMPANY

Revised Law

Sec. 882.151. BOARD OF DIRECTORS. (a) The board of directors of a mutual life insurance company controls the business of the company.

(b) The board of directors consists of at least five directors as stated in the company's articles of incorporation. (V.T.I.C. Art. 11.03 (part).)

Source Law

Art. 11.03. The business of a mutual

life insurance company shall be controlled and directed by a board of directors consisting of not less than five (5) members, ...

Revisor's Note

V.T.I.C. Article 11.03 states that the business of a mutual life insurance company is "controlled and directed" by a board of directors. The revised law omits "directed" because its meaning is included in the meaning of "controlled."

Revised Law

Sec. 882.152. ADOPTION OF INITIAL BYLAWS. (a) At the first meeting of the initial board of directors of a mutual life insurance company after the department issues a certificate of authority to the company, the board shall adopt the initial bylaws of the company.

(b) The bylaws adopted under Subsection (a) shall govern the company until the first annual meeting of the board of directors. (V.T.I.C. Art. 11.03 (part).)

Source Law

Art. 11.03. . . . The by-laws governing the company until the date of its first annual meeting shall be adopted by the board of directors at their first meeting after the certificate of authority shall be issued authorizing the company to transact the business of a mutual life insurance company.

Revised Law

Sec. 882.153. ANNUAL MEETING. (a) Except as provided by Subsection (b), after a mutual life insurance company is issued a certificate of authority under Section 882.101, the company shall hold an annual meeting of the policyholders on the fourth Tuesday in April at the home office of the company or another location properly announced to each policyholder.

(b) The bylaws of a mutual life insurance company may establish an annual meeting date different than the date under Subsection (a). A meeting date established under this subsection must be before April 30 of each year.

(c) At each annual meeting, the policyholders:

(1) shall elect the company's board of directors to serve until the next annual meeting, except as provided by Section 882.154; and

(2) may adopt, amend, or repeal the bylaws of the

company. (V.T.I.C. Arts. 11.03 (part), 11.04 (part).)

Source Law

> Art. 11.03. . . . [a board of directors] . . . who shall be elected annually as provided in this chapter. . . .
>
> Art. 11.04. There shall be an annual meeting of all the policyholders of each mutual life insurance company at the home office of such company or at such other place as may be properly announced to the policyholders, on the fourth Tuesday in April after it shall have received a certificate of authority to transact the business of life insurance, and annually thereafter, at which the directors shall be elected for the succeeding year, and at which bylaws for the government of the company, . . . may be adopted, and at which the existing bylaws may be repealed or amended. Provided, however, the bylaws of the company may set an annual meeting date on any day prior to April 30 in each year; and . . . .

Revised Law

Sec. 882.154. STAGGERED TERMS FOR LARGE BOARD OF DIRECTORS. (a) This section applies only to a mutual life insurance company whose board of directors consists of at least nine members.

(b) The bylaws of a mutual life insurance company may provide that the company's directors, other than initial directors, may be elected to serve staggered terms as provided by this section.

(c) The company's directors shall be divided into two or three classes, with each class consisting of an equal number of directors to the extent possible. After the directors are divided into classes:

(1) the terms of the directors in the first class expire on the first annual meeting date after their initial election;

(2) the terms of the directors in the second class expire on the second annual meeting date after their initial election; and

(3) the terms of the directors in the third class, if any, expire on the third annual meeting date after their initial election.

(d) At each annual meeting after the directors are first elected, the policyholders shall elect the number of directors whose terms expire on that date. Directors are elected for:

(1) staggered two-year terms, if the board is divided into two classes; or

(2) staggered three-year terms, if the board is divided into three classes. (V.T.I.C. Art. 11.04 (part).)

Source Law

> Art. 11.04. . . . provided further, that when the Board of Directors shall consist of nine or more members, in lieu of electing the whole number of directors annually, the bylaws may provide that the directors be divided into either two or three classes, each class to be as nearly equal in number as possible, the terms of office of directors of the first class to expire at the first annual meeting of policyholders after their election, that of the second class to expire at the second annual meeting after their election, and that of the third class, if any, to expire at the third annual meeting after their election. At each annual meeting after such classification the number of directors equal to the number of the class whose term expires at the time of such meeting shall be elected to hold office until the second succeeding annual meeting, if there be two classes, or until the third succeeding annual meeting, if there be three classes. No classification of directors shall be effective prior to the first annual meeting of policyholders. . . .

Revised Law

Sec. 882.155. VOTING BY POLICYHOLDERS. (a) At an annual or special meeting of a mutual life insurance company, each policyholder is entitled to one vote for each $500 of insurance held by the policyholder in the company.

(b) A policyholder may vote at an annual or special meeting by proxy, unless the proxy is revoked before the meeting. (V.T.I.C. Art. 11.04 (part).)

Source Law

> Art. 11.04. . . . At an annual or special meeting, each policyholder shall be entitled to one vote for each Five Hundred Dollars ($500.00) of insurance held by him. Any policyholder may execute his proxy authorizing and entitling the holder to

exercise his voting powers, unless such proxy shall be revoked previous to such annual or special meeting.

Revised Law

Sec. 882.156. OFFICERS. (a) The board of directors of a mutual life insurance company shall elect the following officers for the company:

(1) a president;

(2) the number of vice presidents as required by the company's bylaws;

(3) a secretary;

(4) a treasurer;

(5) a medical director; and

(6) other officers as required by the company's bylaws.

(b) The board shall establish the compensation of each officer.

(c) The duties of each officer shall be prescribed by the company's bylaws. (V.T.I.C. Art. 11.03 (part).)

Source Law

Art. 11.03. . . . The board of directors shall elect the officers of the company, which shall be a president, and such number of vice presidents as the by-laws may provide; a secretary, a treasurer, a medical director and such other officers as the by-laws may provide for; and shall fix the compensation of all such officers. The duties of all officers shall be prescribed by the by-laws. . . .

Revised Law

Sec. 882.157. OFFICER BONDS. The president, secretary, and treasurer of a mutual life insurance company shall each provide a bond for the protection of the company's policyholders:

(1) in an amount and with sureties approved by the commissioner; and

(2) conditioned on the faithful performance of the officer's duties. (V.T.I.C. Art. 11.05.)

Source Law

Art. 11.05. The president, secretary and treasurer shall each give bond for the protection of the policyholders in amount and with securities to be approved by the Board of Insurance Commissioners, conditioned for

the faithful performance of their respective duties.

Revisor's Note

V.T.I.C. Article 11.05 refers to a bond with "securities" approved by the commissioner of insurance. The reference to "securities" is clearly a typographical error. To reflect the clear intention of the legislature, and consistent with other provisions of this code, the revised law substitutes "sureties" for "securities."

Revised Law

Sec. 882.158. BYLAWS MUST COMPLY WITH LAW. The bylaws of a mutual life insurance company may not be inconsistent with this chapter or other laws of this state. (V.T.I.C. Art. 11.04 (part).)

SUBCHAPTER E. AGENTS

Revised Law

Sec. 882.201. APPLICABILITY OF SUBCHAPTER. This subchapter does not apply to a mutual life insurance company organized under this chapter that has a surplus of at least the minimum amount of capital and surplus required of a capital stock company under Sections 841.054, 841.204, 841.205, 841.301, and 841.302. (New.)

Revisor's Note

Section 882.201 is added to the revised law to clarify the applicability of this subchapter. See Revisor's Note (3) to Section 882.001.

Revised Law

Sec. 882.202. ISSUANCE OF LICENSE TO AGENT. On written request of a mutual life insurance company to which a certificate of authority has been issued under this chapter, the department shall issue a license to each agent of the company. (V.T.I.C. Art. 11.08 (part).)

Source Law

Art. 11.08. Any such mutual life

insurance company which has received authority from the Board of Insurance Commissioners to transact business in this State shall receive from such Board, upon written request therefor, a certificate of authority for each of its agents in this State. . . .

Revisor's Note

V.T.I.C. Article 11.08 refers to the issuance of a "certificate of authority" to an agent of a mutual life insurance company. The revised law substitutes "license" for "certificate of authority" for consistency throughout this code when referring to an agent's authority to engage in business on behalf of an insurance company.

Revised Law

Sec. 882.203. LIMITATION ON AGENT COMPENSATION. A contract between a mutual life insurance company and an agent of the company to which a license has been issued under Section 882.202 may not provide a commission or other compensation to the agent that exceeds the expense loading in the premiums on policies that are issued on applications obtained by the agent and for which the premiums are collected and paid to the company in cash. (V.T.I.C. Art. 11.08 (part).)

Source Law

Art. 11.08. . . . Contracts between such companies and such agents shall not provide for commissions or other compensation to such agents in excess of the expense loading in the premiums of policies issued upon the applications procured by such agents, collected therefor, and paid to the company in cash.

SUBCHAPTER F. GENERAL FINANCIAL REQUIREMENTS

Revised Law

Sec. 882.251. LIMITED AUTHORITY TO BORROW MONEY. (a) Except as provided by this subchapter, a mutual life insurance company may not borrow money for any purpose other than to pay a death loss.

(b) A company may not incur a debt on an account for which any part of the company's assets that exceeds the assets represented by or derived from the expense loading in the

premiums collected by the company is subject to execution on a judgment.

(c) Subsection (b) does not prohibit a company from incurring a debt on an account:

(1) under a policy issued by the company; or

(2) to borrow money to pay a death loss. (V.T.I.C. Art. 11.15.)

Source Law

Art. 11.15. No mutual life insurance company shall have the power except as provided in this chapter, to borrow money for any purpose other than the payment of death losses. No such company shall have the power to incur any debt on any account except under policies issued by it or for money borrowed to pay death losses, for which any portion of its assets over and above that which may represent or be derived from the expense loading of the premiums collected by it, shall, in any event be subject to execution upon a judgment therefor.

Revisor's Note

V.T.I.C. Article 11.15 refers to a company's power to borrow money "except as provided in this chapter." The relevant portion of V.T.I.C. Chapter 11 relating to borrowing is revised in this subchapter. The revised law is drafted accordingly.

Revised Law

Sec. 882.252. INVESTMENT OF MONEY. (a) A mutual life insurance company shall invest the company's money in accordance with the law governing investments of life, health, and accident insurance companies organized under Chapter 841.

(b) An officer of a mutual life insurance company who does not invest the money of the company as required by Subsection (a) shall deposit the money in the name of the company in a bank that:

(1) is subject to state or federal regulation; and

(2) has been approved by the commissioner as a depository for that purpose. (V.T.I.C. Arts. 11.18, 11.18-1 (part).)

Source Law

Art. 11.18. Mutual life insurance companies shall invest their funds in accordance with the provisions of the third

chapter of this code, concerning investments of life, health and accident insurance companies in this State; all moneys of mutual life insurance companies, coming into the hands of any officer thereof, when not invested as prescribed, shall be deposited in the name of such company in some bank which is subject to either state or national regulation and supervision, and which has been approved by the Board of Insurance Commissioners as a depository therefor.

Art. 11.18-1. Mutual life insurance companies shall invest their funds in accordance with the provisions of the statutes concerning investments of life insurance companies in this State; all moneys of mutual life companies, coming into the hands of any officer or officers thereof, when not invested as prescribed by said laws, shall be deposited in the name of such company or companies in some bank or banks which are subject to either State or national regulation and supervision, and which have been approved by the Commissioner of Insurance as depositories therefor. . . .

Revisor's Note

(1) V.T.I.C. Article 11.18 refers to "the provisions of the third chapter of this code, concerning investments of life, health and accident insurance companies . . . ." V.T.I.C. Article 11.18-1 refers to "the provisions of the statutes concerning investments of life insurance companies . . . ." The revised law refers to the law governing the investments of companies organized under Chapter 841. Chapter 841 revises the provisions of Chapter 3 relating to the organization of domestic life, health, and accident insurance companies.

(2) V.T.I.C. Articles 11.18 and 11.18-1 refer to a bank under state or federal "regulation and supervision." The revised law omits "supervision" because in context its meaning is included in the meaning of "regulation."

Revised Law

Sec. 882.253. LOANS TO COMPANY. (a) An officer or director of a mutual life insurance company, or a person authorized under Chapter 825, may loan to the company money to:

(1) promote or conserve the company's business; or

(2) enable the company to comply with a legal requirement.

(b) The company may repay a loan and agreed interest, at an annual rate not to exceed 10 percent, from the surplus remaining after the company provides for the company's reserves and other liabilities.

(c) A loan under this section or interest on a loan is not otherwise a liability or claim against the company or any of its assets.

(d) A mutual life insurance company may not pay a commission or promotion expense in connection with a loan made to the company.

(e) A mutual life insurance company shall report in its annual statement the amount of each loan. (V.T.I.C. Art. 11.16.)

Source Law

> Art. 11.16. Any officer or director of a mutual life insurance company or any person so authorized in Article 21.27 of this code, may advance to such company any sum of money for the purpose of promoting or conserving its business, or to enable it to comply with any requirement of the law; and such money, together with such interest thereon as may have been agreed upon, not exceeding ten (10%) per cent per annum, shall be payable only out of the surplus remaining after providing for all reserves and other liabilities, and shall not otherwise be a liability or claim against the company or any of its assets. No commission or promotion expenses shall be paid in connection with the advance of any such money to the company, and the amount of such advance shall be reported in each annual statement.

SUBCHAPTER G. UNENCUMBERED SURPLUS REQUIREMENTS

Revised Law

Sec. 882.301. AMOUNT OF UNENCUMBERED SURPLUS. (a) A mutual life insurance company that engages in the business of insurance in this state shall maintain an unencumbered surplus of at least

$100,000 that consists of cash or classes of investment as provided by Section 882.055.

(b) Except as otherwise authorized by this code, a company that does not maintain an unencumbered surplus as required by this section may not write new insurance. (V.T.I.C. Art. 11.01, Sec. 1 (part); Art. 11.17 (part).)

Source Law

[Art. 11.01]

Sec. 1. . . .

5. . . . Notwithstanding any other provision of this Code, a minimum of One Hundred Thousand ($100,000.00) Dollars of such free surplus shall at all times be maintained in cash or in the classes of investments described in this article. . . .

Art. 11.17. Any such insurance company transacting business within this State shall at all times have and maintain a minimum free surplus of not less than One Hundred Thousand ($100,000.00) Dollars and . . . . No company shall write new business unless it is possessed of the minimum free surplus required by this article, except to the extent it may be otherwise expressly authorized by this Code to do so.

Revised Law

Sec. 882.302. EXEMPTION FOR CERTAIN COMPANIES. A mutual life insurance company that was authorized and engaged in the business of insurance in this state before May 1, 1955, is not required to increase the amount or convert the class or form of the company's existing unencumbered surplus to comply with Section 882.301 and may not be prohibited from writing new insurance because the company does not maintain an unencumbered surplus as required by that section if the company complies with all other laws. (V.T.I.C. Art. 11.01, Sec. 2(a) (part).)

Source Law

Sec. 2. (a) . . . provided, however, that no such company which was licensed and doing business in this State prior to May 1, 1955 shall be required to increase the amount or convert the class or form of its existing surplus to comply with the surplus requirement of said Paragraph 5 of Section 1 of Article 11.01 of this Code as amended, nor

shall any such company be denied the right of writing new business if such company does not maintain the surplus stated in Article 11.17 of this Code, so long as all other laws are complied with.

Revisor's Note

Section 2, V.T.I.C. Article 11.01, refers to a mutual life insurance company that is "licensed," meaning a company that is authorized to engage in the business of insurance in this state. The revised law substitutes "authorized" for "licensed" for consistent use of terminology within this code.

Revised Law

Sec. 882.303. UNENCUMBERED SURPLUS LESS THAN $25,000. A mutual life insurance company whose unencumbered surplus is less than $25,000 shall allocate at least 25 percent of the company's net earned surplus for the preceding calendar year to the company's unencumbered surplus until the company has obtained an unencumbered surplus of at least $25,000. (V.T.I.C. Art. 11.12 (part).)

Source Law

Art. 11.12. . . . it being the intent and purpose of this clause that each company whose free surplus is less than Twenty-five Thousand ($25,000.00) Dollars shall be obligated to apportion a minimum of twenty-five (25%) per cent of the net earned surplus for the preceding calendar year to the free surplus of such company until such company shall have acquired or accumulated a free surplus of at least Twenty-five Thousand ($25,000.00) Dollars.

. . .

Revised Law

Sec. 882.304. INVESTMENT OF EXCESS UNENCUMBERED SURPLUS. A mutual life insurance company that is granted a charter under this chapter may invest that part of the company's unencumbered surplus that exceeds $100,000 as provided by this code for companies operating under Chapter 841. (V.T.I.C. Art. 11.01, Sec. 1 (part).)

Source Law

Sec. 1. . . .

5. . . . After the granting of charter the free surplus in excess of such One Hundred Thousand ($100,000.00) Dollars may be invested as otherwise provided in this Code for stock companies.

Revisor's Note

Section 1, V.T.I.C. Article 11.01, provides that certain excess unencumbered surplus may be invested "as otherwise provided in this Code for stock companies." For the convenience of the reader, the revised law substitutes a reference to "companies operating under Chapter 841" for the reference to "stock companies." Chapter 841 is the chapter governing the operation of stock life insurance companies.

Revised Law

Sec. 882.305. IMPAIRMENT OF UNENCUMBERED SURPLUS. (a) If one-third or more of a mutual life insurance company's unencumbered surplus as required by Section 882.301 is impaired, the company shall correct the impairment not later than the 60th day after the date the surplus is impaired.

(b) A company that does not correct an impairment of surplus as required by Subsection (a) may not write insurance in this state until the company corrects the impairment.

(c) In determining whether a company's surplus is impaired, the company shall compute its liabilities in the manner provided by state law. (V.T.I.C. Art. 11.17 (part).)

Source Law

Art. 11.17. . . . if such minimum free surplus shall become impaired to the extent of thirty-three and one-third (33 1/3%) per cent thereof, computing its liabilities in the manner provided by the laws of this State, it shall make good such impairment within sixty (60) days; and failing to make good such impairment within said time shall forfeit its right to write any business in this State until said impairment shall have been made good. . . .

Revised Law

Sec. 882.306. IMPAIRMENT OF UNENCUMBERED SURPLUS; APPOINTMENT OF RECEIVER. (a) If one-half or more of a mutual life insurance company's unencumbered surplus as required by Section 882.301 is impaired, the commissioner may apply to a

court for the appointment of a receiver to wind up the affairs of the company.

(b) In determining whether a company's surplus is impaired, the company shall compute its reserve liability in the manner provided by state law. (V.T.I.C. Art. 11.17 (part).)

Source Law

> Art. 11.17. . . . The Board of Insurance Commissioners may apply to any court of competent jurisdiction for the appointment of a receiver to wind up the affairs of such company when its above mentioned minimum free surplus shall become impaired to the extent of fifty (50%) per cent thereof, computing its reserve liability in the manner provided by the laws of this State for the computation of such reserve liability. . . .

Revisor's Note

V.T.I.C. Article 11.17 refers to an application to a court of "competent jurisdiction." The revised law omits the quoted language as unnecessary because the general laws of civil jurisdiction determine which courts have jurisdiction over a matter. For example, see Sections 24.007-24.011, Government Code, for the general jurisdiction of district courts.

Revisor's Note

(End of Subchapter)

Section 2(a), V.T.I.C. Article 11.01, in part provides that the surplus requirements under that article apply to a mutual life insurance company "[f]rom and after the effective date of this Act." The revised law omits that part of Article 11.01 as executed. The omitted law reads:

> Sec. 2. (a) From and after the effective date of this Act the surplus requirement of Paragraph 5 of Section 1 of Article 11.01 of this Code shall be the minimum surplus requirement for any company which is subject to the provisions of Chapter 11 of this Code as amended; . . . .

SUBCHAPTER H. DIVIDENDS

Revised Law

Sec. 882.351. POLICYHOLDER'S ENTITLEMENT TO DIVIDEND. A policyholder of a mutual life insurance company is entitled to a credit or payment of a dividend from that part of the company's divisible surplus that may be fairly allocated to the policyholder's policy. (V.T.I.C. Art. 11.12 (part).)

Source Law

> Art. 11.12. . . . each such policyholder shall be entitled to and credited with or paid such portion of the entire divisible surplus as may be equitably apportioned to his policy. . . .

Revisor's Note

> V.T.I.C. Article 11.12 refers to the part of a mutual life insurance company's divisible surplus that may be "equitably" allocated to a policyholder's policy. The revised law substitutes "fairly" for "equitably" and, throughout this subchapter, substitutes "fair" for "equitable" and "just" because in context the terms are synonymous and "fair" is the more modern and commonly used term.

Revised Law

Sec. 882.352. ACCOUNTING AND PROCEDURE FOR ALLOCATION OF DIVISIBLE SURPLUS; REPORT TO COMMISSIONER. (a) On December 31 of each year, or as soon after as practicable, each mutual life insurance company shall determine the amount of surplus earned by the company during that year.

(b) Not later than the end of the second year in which a policy issued by the company is in effect, the company shall provide to the policyholder:

(1) an annual accounting of the company's divisible surplus; and

(2) if all premiums due on the policy have been paid for at least two years, a fair allocation of the company's divisible surplus that remains after deducting:

(A) any amount approved by the commissioner for retirement of any unpaid loans made under Section 882.253;

(B) the company's contingency reserve; and

(C) any earned surplus the company allocated to unencumbered surplus as provided by this chapter.

(c) The company shall immediately submit to the commissioner a detailed report of an allocation of divisible

surplus made under this section. The president or secretary of the company shall sign the report under oath. (V.T.I.C. Art. 11.12 (part).)

Source Law

> Art. 11.12. Each such company shall make an annual accounting and apportionment of divisible surplus to each policyholder, beginning not later than the end of the second policy year on all policies issued; and . . . . Upon the 31st day of December of each year, or as soon thereafter as may be practicable, each such company shall truly ascertain the surplus earned by it during such year; and after setting aside from such surplus such portion thereof as the Board of Insurance Commissioners may approve for retirement of any unpaid advances theretofore made pursuant to Article 11.16 of this chapter, and after deducting the contingency reserve and the amount of earned surplus, if any, apportioned to free surplus as provided for in this chapter, it shall apportion to each of its policies upon which all premiums due and payable for at least two (2) years have been paid, an equitable proportion of the remainder of such surplus, and shall immediately submit a detailed report of such apportionment under oath of its president or secretary to the Board of Insurance Commissioners. . . .

Revised Law

Sec. 882.353. DEPARTMENT APPROVAL OF ALLOCATION; REVISIONS. (a) The department shall approve a mutual life insurance company's allocation of divisible surplus under Section 882.352 if the department finds that the allocation is fair to the policyholders and complies with this chapter.

(b) If the department does not approve a company's allocation of surplus, the department shall revise the allocation in a manner that the department determines is fair to the policyholders and necessary to comply with this chapter. The department shall certify the revisions to the company.

(c) An allocation of surplus approved under Subsection (a) takes effect on the date of approval. An allocation of surplus revised by the department under Subsection (b) takes effect on the date the department certifies the revisions to the company. (V.T.I.C. Art. 11.12 (part).)

Source Law

> Art. 11.12. . . . If such Board shall find such apportionment to be equitable and just to the policyholders and in accordance with the provisions of this chapter, it shall approve the same, and it shall become effective. If it shall not approve such apportionment, it shall make such changes therein as it shall deem equitable and just and necessary to make the same comply with the provisions of this chapter, and shall certify such changes to such company, whereupon such apportionment as changed by such Board shall become effective. . . .

Revised Law

Sec. 882.354. DIVIDEND PAYMENT METHOD. (a) A dividend declared by a mutual life insurance company under this subchapter shall be paid in:

(1) cash; or

(2) the equivalent of the dividend's cash value as provided by an option stated in the policy and selected by the policyholder.

(b) A policyholder shall notify the company in writing of an option selected by the policyholder under Subsection (a)(2). (V.T.I.C. Art. 11.12 (part).)

Source Law

> Art. 11.12. . . . Each dividend declared as aforesaid shall be paid in cash, or in the equivalent of its cash value in any option stated in the policy and selected by the policyholder, notice of which selection by the policyholder shall be given to the company in writing.
>
> . . .

Revised Law

Sec. 882.355. LIMITATIONS ON DIVISIBLE SURPLUS. A mutual life insurance company's divisible surplus available for payment of dividends to the company's policyholders may not include:

(1) any part of the company's unencumbered surplus that has been:

(A) allocated from the company's earned surplus;

(B) transferred from the company's contingency reserve; or

(C) otherwise acquired by the company;

(2) if the company was organized after September 5, 1955, any part of the company's unencumbered surplus required to comply with Section 882.301; or

(3) if the company's unencumbered surplus is less than $25,000, the part of the company's earned surplus for the preceding calendar year in excess of 75 percent of the earned surplus. (V.T.I.C. Art. 11.12 (part).)

Source Law

> Art. 11.12. . . . The divisible surplus available for payment of dividends shall not include:
>
> (a) Any portion of the free surplus, required by Article 11.01 as amended, of companies organized after the effective date of this amendment;
>
> (b) Any portion of the free surplus of any company theretofore apportioned from earned surplus, transferred from contingency reserves or otherwise accumulated or acquired by such company as a part of its free surplus;
>
> (c) That portion of the earned surplus for the preceding calendar year in excess of seventy-five (75%) per cent thereof whenever the free surplus of any company shall be less than Twenty-five Thousand ($25,000.00) Dollars; . . . .

Revisor's Note

V.T.I.C. Article 11.12 refers to mutual life insurance companies "organized after the effective date of this amendment." That amendment was enacted by Chapter 363, Acts of the 54th Legislature, Regular Session, 1955, which took effect on September 5, 1955. The revised law substitutes that date for the quoted language.

Revised Law

Sec. 882.356. PAYMENT OF DIVIDENDS NOT REQUIRED. This subchapter does not require a mutual life insurance company to pay a dividend to a policyholder if the unencumbered surplus acquired by the company is impaired. (V.T.I.C. Art. 11.12 (part).)

Source Law

> Art. 11.12. . . .
>
> No such company shall ever be required

by the provisions of this article to pay dividends to policyholders at any time when the free surplus theretofore accumulated or acquired by said company shall be impaired.

Revisor's Note
(End of Subchapter)

V.T.I.C. Article 11.12 provides an exemption from the dividend requirements of that article. Mutual life insurance companies that do not maintain as of the "effective date of this amendment" the minimum amount of unencumbered surplus as required by V.T.I.C. Article 11.01, revised in relevant part as Section 882.301, are exempt from the dividend requirements of V.T.I.C. Article 11.12 until the company acquires the required minimum amount of unencumbered surplus. The amendment that added the quoted language was enacted by Chapter 363, Acts of the 54th Legislature, Regular Session, 1955, which took effect September 5, 1955. It is the understanding of the Texas Department of Insurance that any company that qualified for the exemption on September 5, 1955, has acquired the required minimum amount of unencumbered surplus and therefore is no longer eligible for the exemption. In addition, according to the terms of the exemption, no company may become eligible in the future. The revised law omits the provision as executed. The omitted law reads:

Art. 11.12. . . .

It is further provided that each such company heretofore organized or converted and operating under the provisions of Chapter 11 of this Code which does not at the effective date of this amendment to this Code maintain the minimum free surplus specified in Article 11.01 as amended shall have the right, subject to the limitations herein set forth, to pay dividends but shall not be obligated by the provisions of this article to pay dividends to the policyholders until the minimum free surplus specified in Article 11.01 as amended has been acquired or

accumulated by such company. . . .

SUBCHAPTER I. CONTINGENCY RESERVE

Revised Law

Sec. 882.401. AMOUNT OF CONTINGENCY RESERVE. (a) A mutual life insurance company organized under this chapter may maintain a contingency reserve that exceeds the reserves and liabilities provided by this chapter. The amount of the contingency reserve may not exceed the greater of:

(1) $10,000;

(2) an amount that:

(A) equals 20 percent of the company's policy reserves and policy liabilities plus one percent of the amount of the company's life insurance in force; and

(B) does not exceed $750,000; or

(3) an amount that equals 20 percent of the company's policy reserves and policy liabilities.

(b) In determining the amount of a company's policy reserves and policy liabilities for purposes of this section, the company may only include the following, after deducting the net value of the company's risks reinsured by other solvent assuming insurers:

(1) the company's reserves on outstanding life insurance policies and annuity contracts, contracts issued as supplemental to the policies or contracts or in connection with the policies or contracts or provisions included in policies or contracts that insure against disability or accidental death; and

(2) the company's liabilities for:

(A) optional modes of settlement; or

(B) dividends left on deposit at interest.

(V.T.I.C. Art. 11.11 (part).)

Source Law

> Art. 11.11. Any mutual, level premium, legal reserve life insurance company organized and doing business under the provisions of this Chapter may accumulate and maintain a contingency reserve, over and above all of its reserves and liabilities required or specifically permitted by the provisions of this Chapter, in an amount not exceeding Ten Thousand Dollars ($10,000), or an amount equal to the sum of twenty per cent (20%) of all of its policy reserves and policy liabilities, plus one per cent (1%) of the amount of its life insurance then in

force, if such sum be greater than Ten Thousand Dollars ($10,000), but in no event to exceed Seven Hundred and Fifty Thousand Dollars ($750,000), or twenty per cent (20%) of all of its policy reserves and policy liabilities, whichever shall be greater. The term "policy reserves and policy liabilities" as used in this Section of this Act shall include only its reserves on outstanding life insurance policies and annuity contracts, contracts issued as supplemental thereto or in connection therewith or provisions included therein insuring against disability or against death by accident or accidental means, and including liabilities required under optional modes of settlement, and for dividends left on deposit at interest, after deducting the net value of its risks reinsured by other solvent assuming insurers, but . . . .

Revisor's Note

(1) V.T.I.C. Article 11.11 refers to any "mutual, level premium, legal reserve life insurance company organized and doing business under the provisions of this Chapter." Section 1, V.T.I.C. Article 11.01, revised in relevant part as Section 882.051, refers to the formation of a "mutual life insurance company . . . [to insure] the lives of individuals on the mutual level premium, legal reserve plan." For consistency with that section and because a mutual life insurance company may only be formed for that purpose under this chapter, the revised law substitutes "mutual life insurance company" for "mutual, level premium, legal reserve life insurance company."

(2) V.T.I.C. Article 11.11 authorizes a mutual life insurance company to "accumulate and maintain" a contingency reserve. Throughout this chapter, the revised law omits references to "accumulate" in this context because its meaning is included in the meaning of "maintain."

(3) V.T.I.C. Article 11.11 provides an exemption from the contingency reserve requirements of that article for any

contingency reserve held by a company "on the effective date of this Act." That provision was added by Chapter 98, Acts of the 52nd Legislature, Regular Session, 1951, which took effect April 30, 1951. According to the Texas Department of Insurance, no contingency reserves still qualify for this exemption. The revised law therefore omits the provision as executed. The omitted law reads:

Art. 11.11. . . . this shall not affect any existing contingency reserve held by any such company on the effective date of this Act, save that whenever and as long as such existing contingency reserve shall exceed the limit above-mentioned, it shall not be entitled to maintain any additional contingency reserve.

. . .

Revised Law

Sec. 882.402. EXCESS CONTINGENCY RESERVE. (a) The commissioner, for good cause shown, may issue an order authorizing a mutual life insurance company to maintain a contingency reserve that exceeds the amount of the reserve authorized by Section 882.401.

(b) The order must state:

(1) a period not exceeding one year during which the company may maintain the excess contingency reserve; and

(2) each reason for authorizing the excess contingency reserve. (V.T.I.C. Art. 11.11 (part).)

Source Law

Art. 11.11. . . .

The State Board of Insurance may, for good cause shown by an official order, permit any such company to accumulate and maintain a contingency reserve in excess of the maximum amount hereinbefore prescribed, for a period, not exceeding one (1) year under any one order, which shall be specified in such order. The State Board of Insurance shall state in such order its reasons therefor.

. . .

Revised Law

Sec. 882.403. CONTINGENCY RESERVE REQUIREMENTS. (a) A mutual life insurance company's contingency reserve as authorized by this subchapter must be:

(1) invested as provided by law; and

(2) used only to pay death claims and dividends to policyholders.

(b) If the interest and earnings from the investment of a company's contingency reserve exceed the amount of reserve authorized by Section 882.401 or 882.402, the company shall pay the excess amount to the policyholders of the company in the form of dividends as provided by law. (V.T.I.C. Art. 11.11 (part).)

Source Law

Art. 11.11. . . .

All such contingency reserves as provided for by this Act shall be invested according to law under the supervision of the State Board of Insurance and shall be used exclusively for the payment of death claims and dividends to policyholders. All interests and earnings from such investments in excess of the maximum contingency reserves as provided for in this Act shall be paid in dividends to policyholders according to present laws.

. . .

Revisor's Note

Section 1, V.T.I.C. Article 11.11 provides that contingency reserves must be invested "according to law under the supervision of the State Board of Insurance." The revised law omits as unnecessary the reference to "under the supervision of the State Board of Insurance." Under V.T.I.C. Articles 11.18 and 11.18-1, revised as Section 882.252, the investments of a mutual life insurance company are regulated in the same manner as the investments of life, health, and accident insurance companies organized under Chapter 841. V.T.I.C. Article 3.33 establishes extensive requirements for those investments and specifies the applicable powers of the Texas Department of Insurance.

Revised Law

Sec. 882.404. ALLOCATION OF CONTINGENCY RESERVE TO UNENCUMBERED SURPLUS. If a mutual life insurance company's unencumbered surplus is less than $100,000, the company may allocate any part of the company's contingency reserve to the company's unencumbered surplus. (V.T.I.C. Art. 11.01, Sec. 2(b).)

Source Law

(b) Each such mutual life insurance company shall have the right to apportion to its free surplus all or any portion of the contingency reserves provided for in Article 11.11 of the Insurance Code while and whenever the free surplus of such company shall be less than One Hundred Thousand ($100,000.00) Dollars.

Revised Law

Sec. 882.405. DESIGNATION OF CONTINGENCY RESERVE AS UNASSIGNED SURPLUS. The contingency reserve described by this subchapter is and may be treated as unassigned surplus, including designating the contingency reserve as unassigned surplus in financial statements. (V.T.I.C. Art. 11.11 (part).)

Source Law

Art. 11.11. . . .

The contingency reserve described in this Article shall be deemed to be unassigned surplus, and in addition to any free surplus elsewhere required or allowed, may be so designated in all financial statements and reports and treated as such.

Revisor's Note

V.T.I.C. Article 11.11 states that a mutual life insurance company's contingency reserve may be treated as unassigned surplus "in addition to any free surplus elsewhere required or allowed." The revised law omits the quoted language as unnecessary because the revision does not purport to limit the treatment of unencumbered surplus as unassigned surplus.

SUBCHAPTER J. POLICY REQUIREMENTS

Revised Law

Sec. 882.451. APPLICABILITY OF CERTAIN PROVISIONS. Sections 882.452, 882.453, and 882.454 do not apply to a mutual life insurance company organized under this chapter that has a surplus of at least the minimum amount of capital and surplus required of a capital stock company under Sections 841.054, 841.204, 841.205, 841.301, and 841.302. (New.)

Revisor's Note

Section 882.451 is added to the revised law to clarify the applicability of certain provisions of this subchapter. See Revisor's Note (3) to Section 882.001.

Revised Law

Sec. 882.452. TYPE OF POLICY AUTHORIZED. A mutual life insurance company may issue a policy only on the participating plan with dividends payable annually as provided by Subchapter H. (V.T.I.C. Art. 11.13 (part).)

Source Law

Art. 11.13. . . . they shall issue no policies except upon the participating plan with dividends payable annually as provided in this chapter; . . . .

Revisor's Note

V.T.I.C. Article 11.13 refers to the payment of dividends "as provided in this chapter." The relevant portions of this chapter that relate to the payment of dividends are revised in Subchapter H. The revised law is drafted accordingly.

Revised Law

Sec. 882.453. POLICY FORM. An insurance policy issued by a mutual life insurance company must:

(1) be on a form approved by the department; and

(2) contain the following statement on both the front and reverse sides of the policy: "The form of this policy is approved by the Texas Department of Insurance." (V.T.I.C. Art. 11.13 (part).)

Source Law

Art. 11.13. . . . the form of all policies issued by any such company shall be approved by the Board of Insurance Commissioners, and all such policies shall have plainly printed on both the face and the reverse sides thereof the words, "The form of this policy is approved by the Board of Insurance Commissioners of the State of Texas," and . . . .

Revised Law

Sec. 882.454. LIMITATION ON AMOUNT OF POLICY VALUE FOR CERTAIN COMPANIES. If the total amount of a mutual life insurance company's insurance in force is less than $10 million, the

company may not issue a policy that, after deducting any reinsurance, binds the company for more than $5,000 on a single life. (V.T.I.C. Art. 11.13 (part).)

Source Law

> Art. 11.13. . . . No such company shall issue any policy or policies by which, after deducting reinsurance, if any, it shall be bound for more than Five Thousand ($5,000.00) Dollars upon any one life at any time when the total amount of its insurance in force is less than Ten Million ($10,000,000.00) Dollars.

Revised Law

Sec. 882.455. TABLE OF GUARANTEED VALUES. (a) Each insurance policy issued by a mutual life insurance company must contain a table of guaranteed values. The guaranteed values become nonforfeitable not later than the date of payment of the third full annual premium.

(b) The table of guaranteed values shall be drawn in accordance with the law governing life, health, and accident insurance companies. (V.T.I.C. Art. 11.14.)

Source Law

> Art. 11.14. Each policy issued by such company shall contain a table of guaranteed values, which shall become non-forfeitable not later than upon the payment of the third full annual premium; such tables of values shall be drawn in accordance with the law governing life, health and accident insurance companies.

SUBCHAPTER K. TOTAL ASSUMPTION REINSURANCE AGREEMENTS

Revised Law

Sec. 882.501. TOTAL ASSUMPTION REINSURANCE AGREEMENTS BETWEEN LIFE INSURANCE COMPANIES. (a) A domestic mutual life insurance company and any other domestic or foreign life insurance company may enter into a total assumption reinsurance agreement if the company assuming the policies under the agreement is authorized to engage in the kinds of insurance provided by those policies.

(b) Before a total assumption reinsurance agreement may be entered into:

(1) the agreement must be submitted to the department;

and

(2) the commissioner must approve the agreement as fully protecting the interests of each domestic company's policyholders.

(c) After an assumption reinsurance agreement in which the ceding company is a domestic mutual insurance company is approved by the commissioner as required by Subsection (b), the agreement must be approved by the policyholders of the ceding domestic company in the same manner as required for a merger or consolidation under Subchapter L.

(d) When the reinsurance agreement described by Subsection (c) is effective, the assuming company is entitled to the same rights, privileges, and benefits granted a company that assumes a company by merger or consolidation as provided by Subchapter L. (V.T.I.C. Art. 11.21.)

Source Law

Art. 11.21

Sec. 1. Total direct reinsurance agreements may be made and entered into between any domestic mutual life insurance company and any other life insurance company, domestic or foreign, provided: (a) the assuming company is authorized to transact the kinds of insurance provided by the policies assumed; and (b) no total direct reinsurance agreement shall be made until the contract therefor has been submitted to and approved by the Commissioner of Insurance as protecting fully the interests of the policyholders of any domestic insurer.

Sec. 2. Total direct reinsurance agreements, whereby all policies of any ceding domestic mutual life insurance company, are totally assumed by another company, must first be so approved by the Commissioner of Insurance and thereafter by such affected policyholders of the domestic company in like mode and manner as is required under the provisions of Article 11.20 of this Chapter of this Code for policyholder approval of a merger or consolidation agreement. Upon consummation of any such total direct reinsurance agreement, the assuming company shall be entitled to all the rights, privileges and benefits accorded under Section 7, of Article 11.20 of this Chapter of this Code, the same

as though such business had been assumed by merger or consolidation.

Revisor's Note

V.T.I.C. Article 11.21 refers to "total direct reinsurance." The revised law substitutes the phrase "total assumption reinsurance" for "total direct reinsurance" because, in context, the terms are synonymous and "total assumption reinsurance" is more commonly used.

SUBCHAPTER L. MERGERS AND CONSOLIDATIONS

Revised Law

Sec. 882.551. APPLICABILITY OF SUBCHAPTER. This subchapter applies only to a merger or consolidation in which at least one of the parties to the transaction is a mutual life insurance company. (V.T.I.C. Art. 11.20, Sec. 9 (part).)

Source Law

Sec. 9. The provisions of this Article shall only apply to mergers and consolidations in which at least one of the parties thereto is a mutual life insurance company. . . .

Revisor's Note

Section 9, V.T.I.C. Article 11.20, in part provides that a merger or consolidation between at least two stock insurance corporations is governed by V.T.I.C. Article 21.25. The revised law omits the provision as unnecessary because V.T.I.C. Article 21.25, revised as Chapter 824 of this code, provides sufficient authority as to the applicability of that law to mergers and consolidations between stock insurance corporations. The omitted law reads:

Sec. 9. . . . Mergers and consolidations between two or more stock insurance corporations in which no mutual life insurance company is a party thereto shall be governed by Article 21.25 of this Code.

Revised Law

Sec. 882.552. AUTHORITY TO MERGE OR CONSOLIDATE. A domestic or foreign mutual life insurance company may merge with a

domestic or foreign mutual or stock legal reserve life insurance company or consolidate into a new domestic or foreign mutual or stock life insurance company as provided by this subchapter. (V.T.I.C. Art. 11.20, Sec. 1.)

Source Law

Art. 11.20

Sec. 1. Any domestic or foreign mutual life insurance company may merge with any mutual or stock legal reserve life insurance company, domestic or foreign, or consolidate into either a new mutual or stock life insurance company, domestic or foreign, by compliance with the procedures provided in this Article.

Revised Law

Sec. 882.553. PROPOSED PLAN OF MERGER OR CONSOLIDATION; FILING WITH COMMISSIONER. (a) If the boards of directors of at least two life insurance companies determine by majority vote to merge or consolidate, the boards of directors shall prepare a proposed plan of merger or consolidation. The plan may contain:

(1) a future allocation of divisible surplus; or

(2) any other fair arrangement by which any equitable interests of the mutual life insurance company's policyholders may be adjusted.

(b) The boards of directors shall file the proposed plan with the commissioner for approval. (V.T.I.C. Art. 11.20, Sec. 2.)

Source Law

Sec. 2. When it shall be determined by a majority vote of the Board of Directors, respectively, of two or more of such life insurance companies, at least one of which must be a mutual life insurance company, to either merge or consolidate, said Boards of Directors shall prepare a plan of merger or consolidation, as the case may be, and file such plan with the Commissioner of Insurance for approval. Such plan may contain provisions for future apportionment of then existing or prospective accumulations, or both, of divisible surplus, or any other equitable arrangement, whereby the equitable interests, if any, of affected policyholders of the mutual life insurance company may be adjusted.

Revisor's Note

Section 2, V.T.I.C. Article 11.20, states that at least one of the merging or consolidating companies must be a mutual life insurance company. The revised law omits this statement as unnecessary because under Section 9, V.T.I.C. Article 11.20, revised in part as Section 882.551, this subchapter only applies when at least one of the merging or consolidating companies is a mutual life insurance company.

Revised Law

Sec. 882.554. HEARING ON PLAN. As soon as practicable after a proposed plan is filed with the commissioner, the commissioner shall hold a hearing to determine whether to approve the plan. (V.T.I.C. Art. 11.20, Sec. 3 (part).)

Source Law

Sec. 3. As soon as practicable after such filing, the Commissioner of Insurance shall hold a hearing on the question of whether he should approve such plan. . . .

Revised Law

Sec. 882.555. COMMISSIONER DETERMINATION ON PLAN. (a) As soon as practicable after the commissioner holds a hearing on a proposed plan under Section 882.554, the commissioner shall approve the plan unless the commissioner determines that:

(1) the plan is contrary to law; or

(2) implementation of the plan:

(A) would not be in the best interests of the policyholders of any mutual life insurance company that is a party to the plan; or

(B) would substantially reduce the security of or service to be rendered to policyholders of any mutual insurance company that is a party to the plan, regardless of whether the policyholders reside in this state or elsewhere.

(b) In determining whether to approve a proposed plan, the commissioner may consider all relevant financial or other information, including past, present, and future operations and accumulations of each company that is a party to the plan.

(c) If the commissioner approves the proposed plan, the commissioner shall notify each party to the plan of the approval.

(d) If the commissioner disapproves the proposed plan, the commissioner shall, within a reasonable time after holding a hearing under Section 882.554:

(1) specify in detail each reason for the disapproval; and

(2) notify each party to the plan. (V.T.I.C. Art. 11.20, Sec. 3 (part).)

Source Law

Sec. 3. . . . As soon as practicable after such hearing, said Commissioner shall approve such plan unless he finds that such plan:

(1) is contrary to law, or

(2) effectuation of such plan would not be in the best interest of the policyholders of any mutual life insurance company which is a party to such plan, or

(3) effectuation of such plan would substantially reduce the security of or service to be rendered to policyholders, whether residents of this state or elsewhere, of any mutual insurance company which is a party to such plan.

In making such decision, the Commissioner of Insurance may consider all facts, elements, matters and financial conditions relating thereto, including but not limited to past, present and prospective operations and accumulations of said companies desiring to merge or consolidate.

If the Commissioner of Insurance disapproves such plan, he shall within a reasonable time after such hearing specify in detail his reasons therefor and so notify all of the parties to such plan. If the Commissioner of Insurance approves such plan, he shall so notify all of the parties thereto, ...

Revisor's Note

Section 3, V.T.I.C. Article 11.20, refers to information relating to certain insurance companies, including but not limited to past, present, and prospective operations and accumulations of the companies. The revised law omits "but not limited to" as unnecessary because Section 311.005(13), Government Code (Code Construction Act), applicable to the revised law, provides that "includes" and "including" are terms of enlargement and not of limitation and do not create a presumption

that components not expressed are excluded.

Sec. 882.556. APPROVAL OF PLAN BY POLICYHOLDERS. (a) As soon as practicable after receiving from the commissioner notice of approval of a proposed plan under Section 882.555, the board of directors of each mutual life insurance company that is a party to the plan shall submit the plan to the policyholders for a vote at an annual or special meeting.

(1) be sent to the policyholder's last known address;

(2) state that one of the purposes of the meeting is to vote on the proposed plan; and

(3) be accompanied by a copy of the proposed plan.

(c) At a meeting under Subsection (a), each policyholder:

(a) On the approval of a proposed plan under Section 882.556, 882.557, or 882.558, the president or a vice president and the secretary or an assistant secretary of each company that is a party to the plan shall execute and file with the department an affidavit stating that the plan has been approved by the policyholders or shareholders of the company as required by this subchapter.

(b) If the department finds that the affidavit complies with law, the department shall:

(1) endorse the affidavit with:

(A) the word "filed"; and

certificate of consolidation to the new company on the issuance of a charter and a certificate of authority to the new company after:

(A) submission of proper articles of incorporation to the department;

(B) approval by the department in accordance with procedures required for the issuance of a new charter; and

(C) submission of proof that the new company has policyholder surplus at least equal to that of the mutual life insurance company that is a party to the consolidation and has the largest surplus. (V.T.I.C. Art. 11.20, Secs. 5(a) (part), (b).)

(b) If the Commissioner of Insurance finds that such affidavit conforms to law, he shall endorse thereon the word "Filed," and the date of filing thereof; and

(2) if the plan be a plan of consolidation, the Commissioner shall execute and deliver a Certificate of Consolidation to the new company when such new company shall be issued a charter and license upon submission of proper articles of incorporation to the Commissioner of Insurance, and upon his approval in accordance with the procedure required for the issuance of a new charter, and proof that the new company has surplus as regards policyholders of not less than the surplus as regards policyholders of the mutual life insurance company involved in such merger or consolidation having the largest surplus.

Revisor's Note

(1) Section 5(b), V.T.I.C. Article

11.20, refers to the execution and delivery of a certificate of merger. Throughout this subchapter, the revised law substitutes "issue" for "execute and deliver" to provide for consistent use of terminology throughout the Insurance Code.

(2) Section 5(b), V.T.I.C. Article 11.20, refers to the issuance of a "charter and license." The revised law substitutes "certificate of authority" for "license" because "certificate of authority" is the term used throughout this code in relation to an entity's authority to engage in business.

Revised Law

Sec. 882.560. EFFECTIVE DATE OF MERGER OR CONSOLIDATION. A merger or consolidation takes effect on the later of:

(b) The new or surviving insurance company shall implement the terms of the policy.

(c) The new or surviving insurance company is entitled to:

(1) all rights and privileges under the policy; and

(2) all reserves and surplus that accumulated on the policy before the merger or consolidation.

(d) A policyholder of a mutual life insurance company that is a party to a merger or consolidation resulting in a new or

Revisor's Note

(1) Section 7, V.T.I.C. Article 11.20, refers to the "rights, franchises and interests" of companies "in and to every species of property, real, personal and mixed." The revised law omits "franchises" and "interests" because in context the meaning of each term is included in the meaning of "rights." The revised law also omits "real, personal and mixed" because under Section 311.005(4), Government Code (Code Construction Act), applicable to the revised law, the term "property" includes real and personal property.

(2) Section 7, V.T.I.C. Article 11.20, refers to "things in action" in relation to property rights. The revised law substitutes "right of recovery" for "things in action" because the phrases are synonymous in context and the former is more modern and more commonly used.

Revised Law

Sec. 882.564. EFFECT OF MERGER OR CONSOLIDATION ON CERTAIN INVESTMENTS. (a) This section applies to each investment of an affected life insurance company, including an investment in real property, that:

(1) was authorized as a proper asset, as of the date

on which the investment was made and under the laws of the state in which the company was organized, for investment of funds of a life insurance company; and

(2) is taken over by the new or surviving company under the terms of the merger or consolidation.

(b) On the effective date of a merger or consolidation of two or more life insurance companies under this subchapter, an investment of the affected companies described by Subsection (a) is a proper asset under the laws of this state of the new or surviving company if the investment is:

(1) approved by the commissioner; and

(2) taken over on terms satisfactory to the commissioner.

(c) A new or surviving company that acquires, under the terms of the merger or consolidation, real property that exceeds the amount of real property permitted by the applicable sections of this code relating to owning or holding real property shall sell or dispose of the excess real property:

(1) within the period specified by those sections; or

(2) within a longer period if the company obtains a certificate from the commissioner:

(A) stating that the interests of the company will materially suffer by the forced sale or other disposition of the real property; and

(B) specifying the longer period for the sale or other disposition of the real property.

Revisor's Note

Section 7, V.T.I.C. Article 11.20, refers to "securities or assets" of a life insurance company. The revised law omits "securities" because in context its meaning is included in the meaning of "assets."

Revised Law

Sec. 882.565. EFFECT OF MERGER OR CONSOLIDATION ON DIVISIBLE SURPLUS. (a) This section applies only to a mutual life insurance company that is a new company or the surviving company resulting from a merger or consolidation under this subchapter.

(b) If the divisible surplus of each domestic mutual life insurance company that is a party to a merger or consolidation under this subchapter was available for allocation to policyholders as provided by Subchapter H immediately before the effective date of the merger or consolidation, the divisible surplus remains available to the policyholders of the new or surviving mutual life insurance company resulting from the merger or consolidation as provided by Subchapter H. Section 8, V.T.I.C. Article 11.20, states that the article may not be "construed as affecting, modifying, amending, or repealing" Texas antitrust laws. The revised law omits "modifying," "amending," and "repealing" because the meaning of each of those terms is included in the meaning of "affecting."

SUBCHAPTER M. CONVERSION OF MUTUAL LIFE INSURANCE COMPANY TO STOCK LEGAL RESERVE LIFE INSURANCE COMPANY

Revised Law

Sec. 882.601. AUTHORITY TO CONVERT TO STOCK LEGAL RESERVE LIFE INSURANCE COMPANY; POLICYHOLDER AUTHORIZATION REQUIRED. A mutual life insurance company organized under this chapter may

convert to a stock legal reserve life insurance company as provided by this subchapter only if the conversion is approved by the policyholders by a vote of at least two-thirds of the votes cast by the policyholders in person or by proxy at a meeting called for that purpose. (V.T.I.C. Art. 11.01, Sec. 2(c) (part).)

Source Law

(c) Any mutual life insurance company organized or operating under the provisions of Chapter 11 of this Code may convert into a stock legal reserve life insurance company subject to the following conditions:

. . .

2. Such conversion shall only be made upon receiving the affirmative vote of at least two-thirds (2/3) of the votes cast in person or by proxy by the policy holders of such company at a meeting called for such purpose. . . .

Revised Law

Sec. 882.602. AMENDMENT TO CHARTER OR ARTICLES OF INCORPORATION REQUIRED. If the policyholders of a mutual life insurance company authorize a conversion under Section 882.601, the board of directors and officers of the company shall amend the company's charter or articles of incorporation to comply with the requirements applicable to a stock legal reserve life insurance company under Chapter 841. 2. . . . Pursuant to such policy holder authorization, the Board of Directors and officers of such mutual legal reserve life insurance company shall amend its existing charter or articles of incorporation so as to comply with the requirements of Article 3.02 of this Code, as amended; . . . .

Revisor's Note

Section 2(c), V.T.I.C. Article 11.01, provides that on policyholder authorization for a conversion to a stock legal reserve life insurance company, the charter or articles of incorporation of a mutual life

insurance company must be amended to satisfy the requirements of V.T.I.C. Article 3.02. Article 3.02, revised as part of Chapter 841, establishes some of the requirements applicable to a stock legal reserve life insurance company. Under the portion of Section 2(c) revised as Section 882.606, the converted company is generally subject to the same provisions as a company organized under Chapter 841. The revised law is drafted accordingly.

Revised Law

Sec. 882.603. CAPITAL AND SURPLUS REQUIREMENTS. (a) The capital and surplus of the converted stock legal reserve life insurance company must be at least equal to the minimum capital and surplus required for the organization of a stock legal reserve life insurance company under Chapter 841.

(b) If a contribution of United States currency is necessary to meet the capital and surplus requirements of this section, the contribution must be made before the effective date of the conversion. (V.T.I.C. Art. 11.01, Sec. 2(c) (part).)

Source Law

(c) . . .

1. The capital and surplus of such converted stock legal reserve life insurance company shall be not less than the minimum capital and surplus required for the organization of a stock legal reserve life insurance company under the provisions of Chapter 3 of this Code, as amended, and if necessary in order to meet such minimum capital and surplus requirements, contributions of cash of the United States shall be made prior to the effective date of such conversion.

. . .

Revisor's Note

Section 2(c), V.T.I.C. Article 11.01, refers to Chapter 3 of the Insurance Code. The pertinent portions of Chapter 3, relating to the minimum capital and surplus required for stock legal reserve life insurance companies, are revised in Chapter 841. The revised law is drafted accordingly.

Revised Law

Sec. 882.604. HEARING. (a) After public notice, the

commissioner shall hold a hearing on a conversion authorized under Section 882.601.

Source Law

(c) . . .

4. From and after the date of such conversion such stock legal reserve life insurance company shall be governed by the provisions of Chapter 3 of this Code, as amended, except as otherwise herein provided.

Revisor's Note

Section 2(c), V.T.I.C. Article 11.01,

states that a mutual life insurance company that converts to a stock legal reserve life insurance company is governed by V.T.I.C. Chapter 3 "except as otherwise herein provided." To accurately reflect the intent of the legislature, the revised law refers to the law governing a company organized under Chapter 841. Chapter 841 revises the provisions of Chapter 3 relating to the organization of a stock legal reserve life insurance company. The revised law also omits the quoted language as unnecessary because the law revised as this chapter does not provide for any exceptions.

Revised Law

Sec. 882.607. OTHER TYPES OF CONVERSION NOT PROHIBITED. This subchapter does not prohibit a mutual life insurance company from converting to a stock legal reserve life insurance company by:

(1) merger or consolidation;

(2) a total direct or assumption reinsurance agreement; or

SUBCHAPTER N. CONVERSION OF CERTAIN MUTUAL ASSESSMENT COMPANIES OR ASSOCIATIONS TO MUTUAL LIFE INSURANCE COMPANIES

Revised Law

Sec. 882.651. AUTHORITY TO CONVERT. A mutual assessment company or association organized and operating under the laws of this state on May 17, 1943, may convert to a mutual life insurance company as provided by this subchapter. (V.T.I.C.

Art. 11.10, Sec. 1 (part).)

Source Law

Sec. 1. . . . mutual assessment companies and associations organized and operating under the laws of this State on May 17, 1943 which desire to convert to a mutual legal reserve company, and . . . .

Revisor's Note

Section 1, V.T.I.C. Article 11.10, refers to the conversion of a mutual assessment company that complies with the requirements of V.T.I.C. Chapter 11, revised as this chapter, to a "mutual legal reserve company." V.T.I.C. Chapter 11 governs mutual life insurance companies. Throughout this subchapter, the revised law substitutes "mutual life insurance company" for "mutual legal reserve company" to provide for consistent use of terminology throughout this chapter.

Revised Law

Sec. 882.652. VOLUNTARY CONVERSION. The department may not require a mutual assessment company or association to convert to a mutual life insurance company under this subchapter. (V.T.I.C. Art. 11.10, Sec. 2 (part).)

Source Law

Sec. 2. Nothing in this article or in the provisions of this chapter or Chapter 3 of this Code shall ever be construed to mean that any of the associations or similar concerns, by whatsoever name or class designated, whether specifically named herein or not, shall be required by the State Board of Insurance to convert to mutual legal reserve companies as herein authorized unless they voluntarily decide to do so; and . . . .

Revisor's Note

Section 2, V.T.I.C. Article 11.10, states that the article does not apply to a mutual assessment company or association unless the company or association voluntarily decides to convert to a mutual life insurance company. The revised law omits this statement as unnecessary because it is clear

from Section 1, V.T.I.C. Article 11.10, revised in relevant part as Section 882.651, that conversion to a mutual life insurance company under this subchapter is voluntary and that this subchapter applies only to a company or association that decides to convert to a mutual life insurance company. The omitted law reads:

Sec. 2. . . . if such associations have not heretofore voluntarily decided to come under this chapter, and if such associations do not hereafter so voluntarily decide to come under this chapter, then this chapter shall not in any way apply to any such associations.

Revised Law

Sec. 882.653. CONVERSION REQUIREMENTS. Except as provided by Section 882.654, a mutual assessment company or association may convert to a mutual life insurance company only if the company or association:

(1) possesses an unencumbered surplus of at least $1.4 million; and

(2) complies with the requirements of this chapter, including the requirements that the company or association execute articles of incorporation and obtain a charter and a certificate of authority. (V.T.I.C. Art. 11.10, Sec. 1 (part).)

Source Law

Sec. 1. Except as provided by Section 3 of this article, [mutual assessment companies and associations . . . which desire to convert to a mutual legal reserve company, and] qualify under Chapter 11 of the Insurance Code, shall be required at the time of conversion to be possessed of free surplus of not less than One Million Four Hundred Thousand ($1,400,000.00) Dollars. In order to convert, such company shall comply with the provisions of Articles 11.01 and 11.02 of the Insurance Code, as amended, and . . . .

Revisor's Note

Section 1, V.T.I.C. Article 11.10, states that a company or association must "comply with the provisions of Articles 11.01 and 11.02" of the Insurance Code. For the convenience of the reader, the revised law

specifically states the applicable requirements in those articles, which are the requirements that the company or association execute articles of incorporation and obtain a charter and a certificate of authority.

Revised Law

Sec. 882.654. EXEMPTION FROM SURPLUS REQUIREMENTS. (a) A mutual assessment company or association is exempt from the surplus requirements of Section 882.653 if the company or association:

(1) possesses an unencumbered surplus of at least $200,000; and

(2) converted to a mutual life insurance company before September 1, 1999.

(b) A mutual assessment company or association that is exempt under Subsection (a) and that was converted on or after September 1, 1989, shall immediately increase its surplus to an amount that satisfies Section 882.653 on:

(1) a change of control of at least 50 percent of the voting securities of the converted company or association; or

(2) if the converted company or association or the holding company that controls the converted company or association, if any, is not controlled by voting securities, a change of at least 50 percent of the ownership of the converted company or association or its holding company.

(c) For purposes of Subsection (b), a transfer of ownership because of death, regardless of whether the decedent died testate or intestate, is not considered a change of control of a converted mutual assessment company or association or its holding company, if ownership is transferred only to one or more individuals, each of whom would have been an heir of the decedent if the decedent had died intestate. (V.T.I.C. Art. 11.10, Sec. 3.)

Source Law

Sec. 3. (a) The requirement under Section 1 of this article that a mutual assessment company or association have a surplus of at least One Million Four Hundred Thousand ($1,400,000.00) Dollars does not apply to a mutual assessment company or association that converts to a Chapter 11 company if:

(1) the mutual assessment company or association shall be possessed of free and unencumbered surplus of at least Two Hundred Thousand ($200,000.00) Dollars; and

(2) the conversion takes effect

before September 1, 1999.

(b) A mutual assessment company or association that is converted on or after September 1, 1989, and that has less than One Million Four Hundred Thousand ($1,400,000.00) Dollars surplus may continue to transact the kind or kinds of insurance business for which it has been issued a Texas certificate of authority. However, a mutual assessment company or association that is converted on or after September 1, 1989, must increase its surplus to at least One Million Four Hundred Thousand ($1,400,000.00) Dollars immediately after any change of control of the converted mutual assessment company or association or any holding company controlling the converted mutual assessment company or association if, after August 31, 1989:

(1) there is a change of control of at least 50 percent of the voting securities of the converted company or association; or

(2) if the converted mutual assessment company or association or holding company is not controlled by voting securities, there is a change of at least 50 percent of the ownership of the converted mutual assessment company or association or holding company.

(c) For the purpose of Subsection (b) of this section, a transfer of ownership that occurs because of death, irrespective of whether the decedent died testate or intestate, may not be considered a change of control of a converted mutual assessment company or association or change of control of a holding company, if ownership is transferred solely to one or more natural persons, each of whom would be an heir of the decedent if the decedent had died intestate.

Revisor's Note

Section 3(b), V.T.I.C. Article 11.10, provides that a mutual assessment company that converts to a mutual life insurance company "may continue to transact the kind or kinds of insurance business for which it has been issued a Texas certificate of

authority." The revised law omits the quoted language because the company's certificate of authority is unchanged by the conversion and permits the company to transact only those kinds of business.

Revised Law

Sec. 882.655. APPLICABLE LAW AFTER CONVERSION. After a mutual assessment company or association is converted to a mutual life insurance company, the converted company is governed by this chapter. (V.T.I.C. Art. 11.02, Sec. 2 (part); Art. 11.10, Sec. 1 (part).)

Source Law

> Art. 11.13. . . . [the form of all policies issued by any such company shall be approved by the Board of Insurance Commissioners] . . . the Board shall revoke the certificate of authority of any such company which shall issue any policy except upon such form so approved. . . .

Revisor's Note

(End of Chapter)

V.T.I.C. Article 11.13 provides that "[m]utual life insurance companies are authorized to transact business throughout this State and in other states to which they may be admitted." The revised law omits the quoted language as unnecessary because a company's certificate of authority issued by the Texas Department of Insurance provides sufficient authority for the company to engage in the business of insurance in this state. Similarly, an authorization from another state provides sufficient authority in that state. The omitted law reads:

Art. 11.13. Mutual life insurance companies are authorized to transact business throughout this State and in other states to which they may be admitted; . . . .
